People . . . 1966-67 at GHS was a year of people—2,000 students and 95 faculty members. Many new changes were necessitated by all these people. A steadily increasing enrollment brought changes in previous years, but never had they been as wide-spread and dramatic as this year.

Built in 1957 for 1200 students, the GHS plant had enlargements of the gym and cafeteria and the addition of the Teaching Auditorium to house 1600 students.

But school opened in September 1966, with serious over-crowding. Classrooms, cafeteria, and parking areas were filled to over-flowing.

Most drastic of the changes made to accommodate the 2,000 students was the three-shift schedule. The early shift began at 7:30, another at 8:30 and a third shift at 9:30. Classes were dismissed at 2:30, 3:30 and 4:30.

Students and teachers were confronted with a maze of forms as numbers forced mechanization. Attendance cards, schedule cards, absentee slips, I.D. cards and IBM report cards became a way of life.

Pep rallies were moved out-of-doors to the football field. Clubs, traditionally scheduled for afternoon meetings, met at night because of the staggered dismissal times.

Teachers, working on the late shift with a class until 4:30 and remaining for after-class chores, found themselves walking into winter evening sunsets.

Assemblies were for individual classes. Sophomores alone filled the auditorium which once seated the entire student body.

Seniors were given parking priorities and took over the junior space. Junior cars were parked on 19th Lane and 16th Terrace. Sophomores were not encouraged to drive to school and often walked blocks between lanes of parked senior and junior cars to reach the campus.

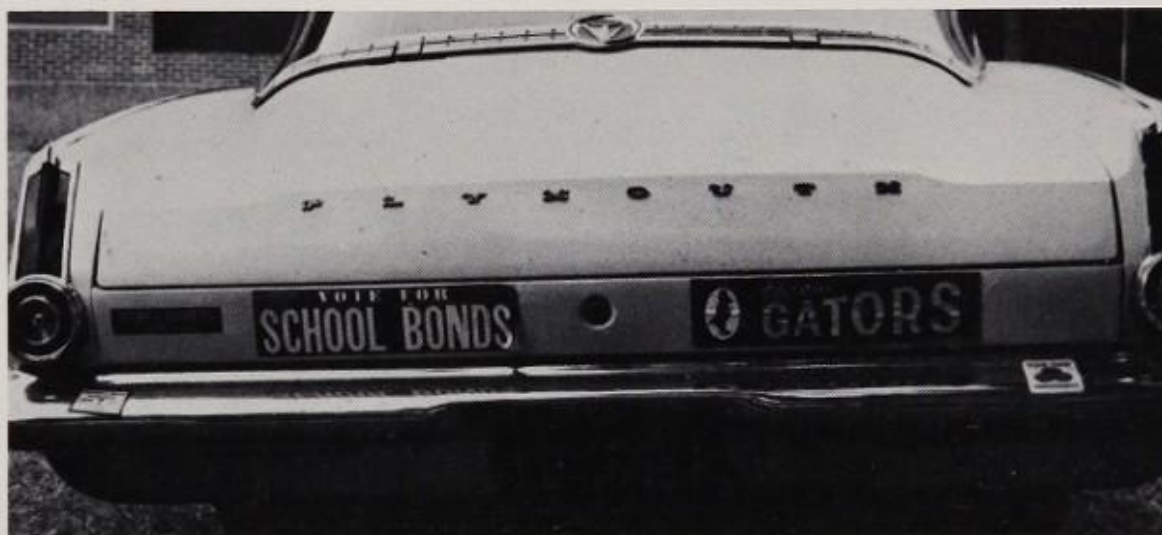

GHS's growth has been in direct proportion to Gainesville's expansion. The city's population soared from 30,000 in 1960 to 60,000 in 1966.

Evidence of growth is everywhere — a 500 bed V.A. hospital, a new law center for the University, and a shopping mall nearing completion just north of GHS.

Trying to build for the future, the Alachua County School Board proposed a school bond election.

But, the issue was defeated and GHS faces even more crowding.

In the midst of many changes, GHS clung to established customs and cherished traditions.

Canes were still dynamite; service clubs mowed their grassplots; students were besieged to buy candy, stickers, ribbons, annuals, Bar-B-Que tickets; choruses produced a fabulous musical; money was donated for scholarships; and, finally, in June the long white line marched to "Pomp and Circumstance."

Homecoming '66 at GHS was a week of the old and new. The new slogan, "Buccaneers get fixed as Hurricanes rage in '66," became the center of activities. Lull Week was highlighted by "Hat Day" with prizes given for the most original.

Thursday night Stormwarning, with the crowning of the new Homecoming Queen and Court, took place. 1966 senior football sponsors were Kirby Green, Claudia Musgrave, Terry Young, and Bob Brackin.

Brackin. Anticipation grew as the Canes were to face the Mainland Buccaneers Friday night.

The Homecoming Court, with lovely Dana Wigglesworth as queen, reigned over Stormwarning and the game. Cathy Alvarez, Ann Becker, Carolyn Emo, and Cissy Roundtree made up the Court.

Acting talent became evident as students participated in skits and individual acts at Stormwarning. Thespians won 1st place for their "Purgatory Relived," and The Cadets won 1st place in the individual talent division.

The only pep parade of the year took place Friday afternoon with over 50 units participating.

Everyone helped to make 1966 Homecoming at GHS a success. But, ironically, Friday night, in the most breath-taking game of the year, the Canes were defeated by the Mainland Buccaneers, 21-20.

After a year of curtailment, dances were back in full swing at GHS in 1966-67. Student Council sponsored the dances after football and basketball games with everything from recorded music to the best bands in the state.

The Senior Dance, featuring the famous Tropics, had a tremendous attendance. Cheerleaders twirled and majorettes cheered at the annual Twirp Dance. Sophomores thrilled to The Frolics, their first formal high school dance.

Juniors, tired and dirty but happy, hurried home from transforming the gym, to dress for a night in Emerald City amid the Munchkins. Seniors enjoyed the role of honored guests.

Adding another to the list of GHS musical spectaculars, the Choruses presented Rodgers and Hammerstein's delightful "Flower Drum Song," November 7—12.

Six performances were given by the 125 member cast, ably directed by Mrs. Catherine Murphree, Mrs. Mary Elliot, and Mrs. Dorothy Reaves.

Beautiful scenery, designed by Mrs. Helen Philpott and her art students, and authentic costumes, supervised by Mrs. Anna Elliott, added to the over-all success.

Double casting of three parts permitted ten seniors to have stellar roles. Cathy Alvavez was captivating as Mei Li; Chad Reed was a show-stopping Wang Chi-Yang; Jacqui Karns was excellent as Linda Low; Tommy Lane and Larry Lipham were effective as Wang Ta and Steve Shepherd and Larry Mott were refreshing as Sammy Wong.

Evin Jones, Pat Bouleware, Karen Stack, Gary Nelson, Lynn Jones and Eddie Reid played minor roles very competently.

GHS excelled in Fine Arts this year. Many small groups performed before the student body and various community organizations. The Madrigals, after designing their own colorful costumes, upheld a reputation of beautiful singing.

Before the Christmas holidays, GHS students viewed "Christmas Madonna." Ably directed by Mrs. Mary Elliott, the one-act play added a touching moment to the Christmas atmosphere. An array of clowns, excellently made up by students, brightened the stage.

The highlight of the spring was "Arsenic and Old Lace." The old favorite was characterized by mystery, suspense and comedy. Throughout long rehearsal hours, Mrs. Elliott interpreted each character for student actors and the finished presentations were big hits.

Choral groups and dramatists delighted audiences with some never-to-be-forgotten moments.

Normal school life resumed in the dawning of spring with school elections. The campus was transformed into a world of cardboard and colors. Candidates experienced the usual anticipation, suffered "butterflies" before speaking, and kept eager eyes on the voting results. Whether they won or lost, it was an experience to remember.

Feelings changed and thoughts turned to frivolity. The outdoors beckoned, and students took advantage of the lovely GHS campus.

Graduation, so long awaited, seemed to come much too soon suddenly. Seniors began to "cherish the memories of GHS" and the most exciting years of their lives. But what were the three years compared to a lifetime? They were mere stepping-stones — but vastly important ones.

And, one June evening, the largest senior class in GHS history met untried horizons at the Florida Gym Exit.

INFORMANTS

Teachers and students were faced with adjusting to the three-shift schedule. Some families, meeting all three beginning times, had one member leaving as another breakfasted as the third climbed out of bed.

It was in many ways a typical year — in many ways an unusual one. New additions to audio-visual equipment aided teachers in classroom procedures and broadened the range of material. Additional courses in advanced physics, drafting, reading, contemporary issues, and mass communications were offered. The library added materials for research and leisure enjoyments.

Increased faculty and facilities helped students in reasoning, reckoning and researching. Each department fit into a whole — a unit to further knowledge through corporate learning and individual expression.

Principal

Mr. Hudson Brought Determined Leadership

Joseph T. Hudson, principal

to Gainesville High School This Year

Faced with the many problems of overcrowding, three shifts for teachers and students, student body of over 2000 and a staff of nearly 100, GHS principal, Joe Hudson, met all his supervising and administrative responsibilities calmly and competently. With other school administrators, Mr. Hudson worked for the school bond issue, explaining the needs of the county school and GHS in particular. After the election's defeat, Mr. Hudson looked for new ways to relieve crowded conditions.

Mr. Hudson, active in community affairs, served on the Board of Directors of the Lion's Club. Mr. Hudson helped in the sale of light bulbs for the club's Sight Conservation Drive. He also served on KP duty at the Lion's Bar-B-Que for the scholarship foundation.

An avid Lion, Mr. Hudson promoted his club by selling light bulbs to his wife and daughter.

Assistant Principal

Mr. Neller Directed Expanded Curriculum

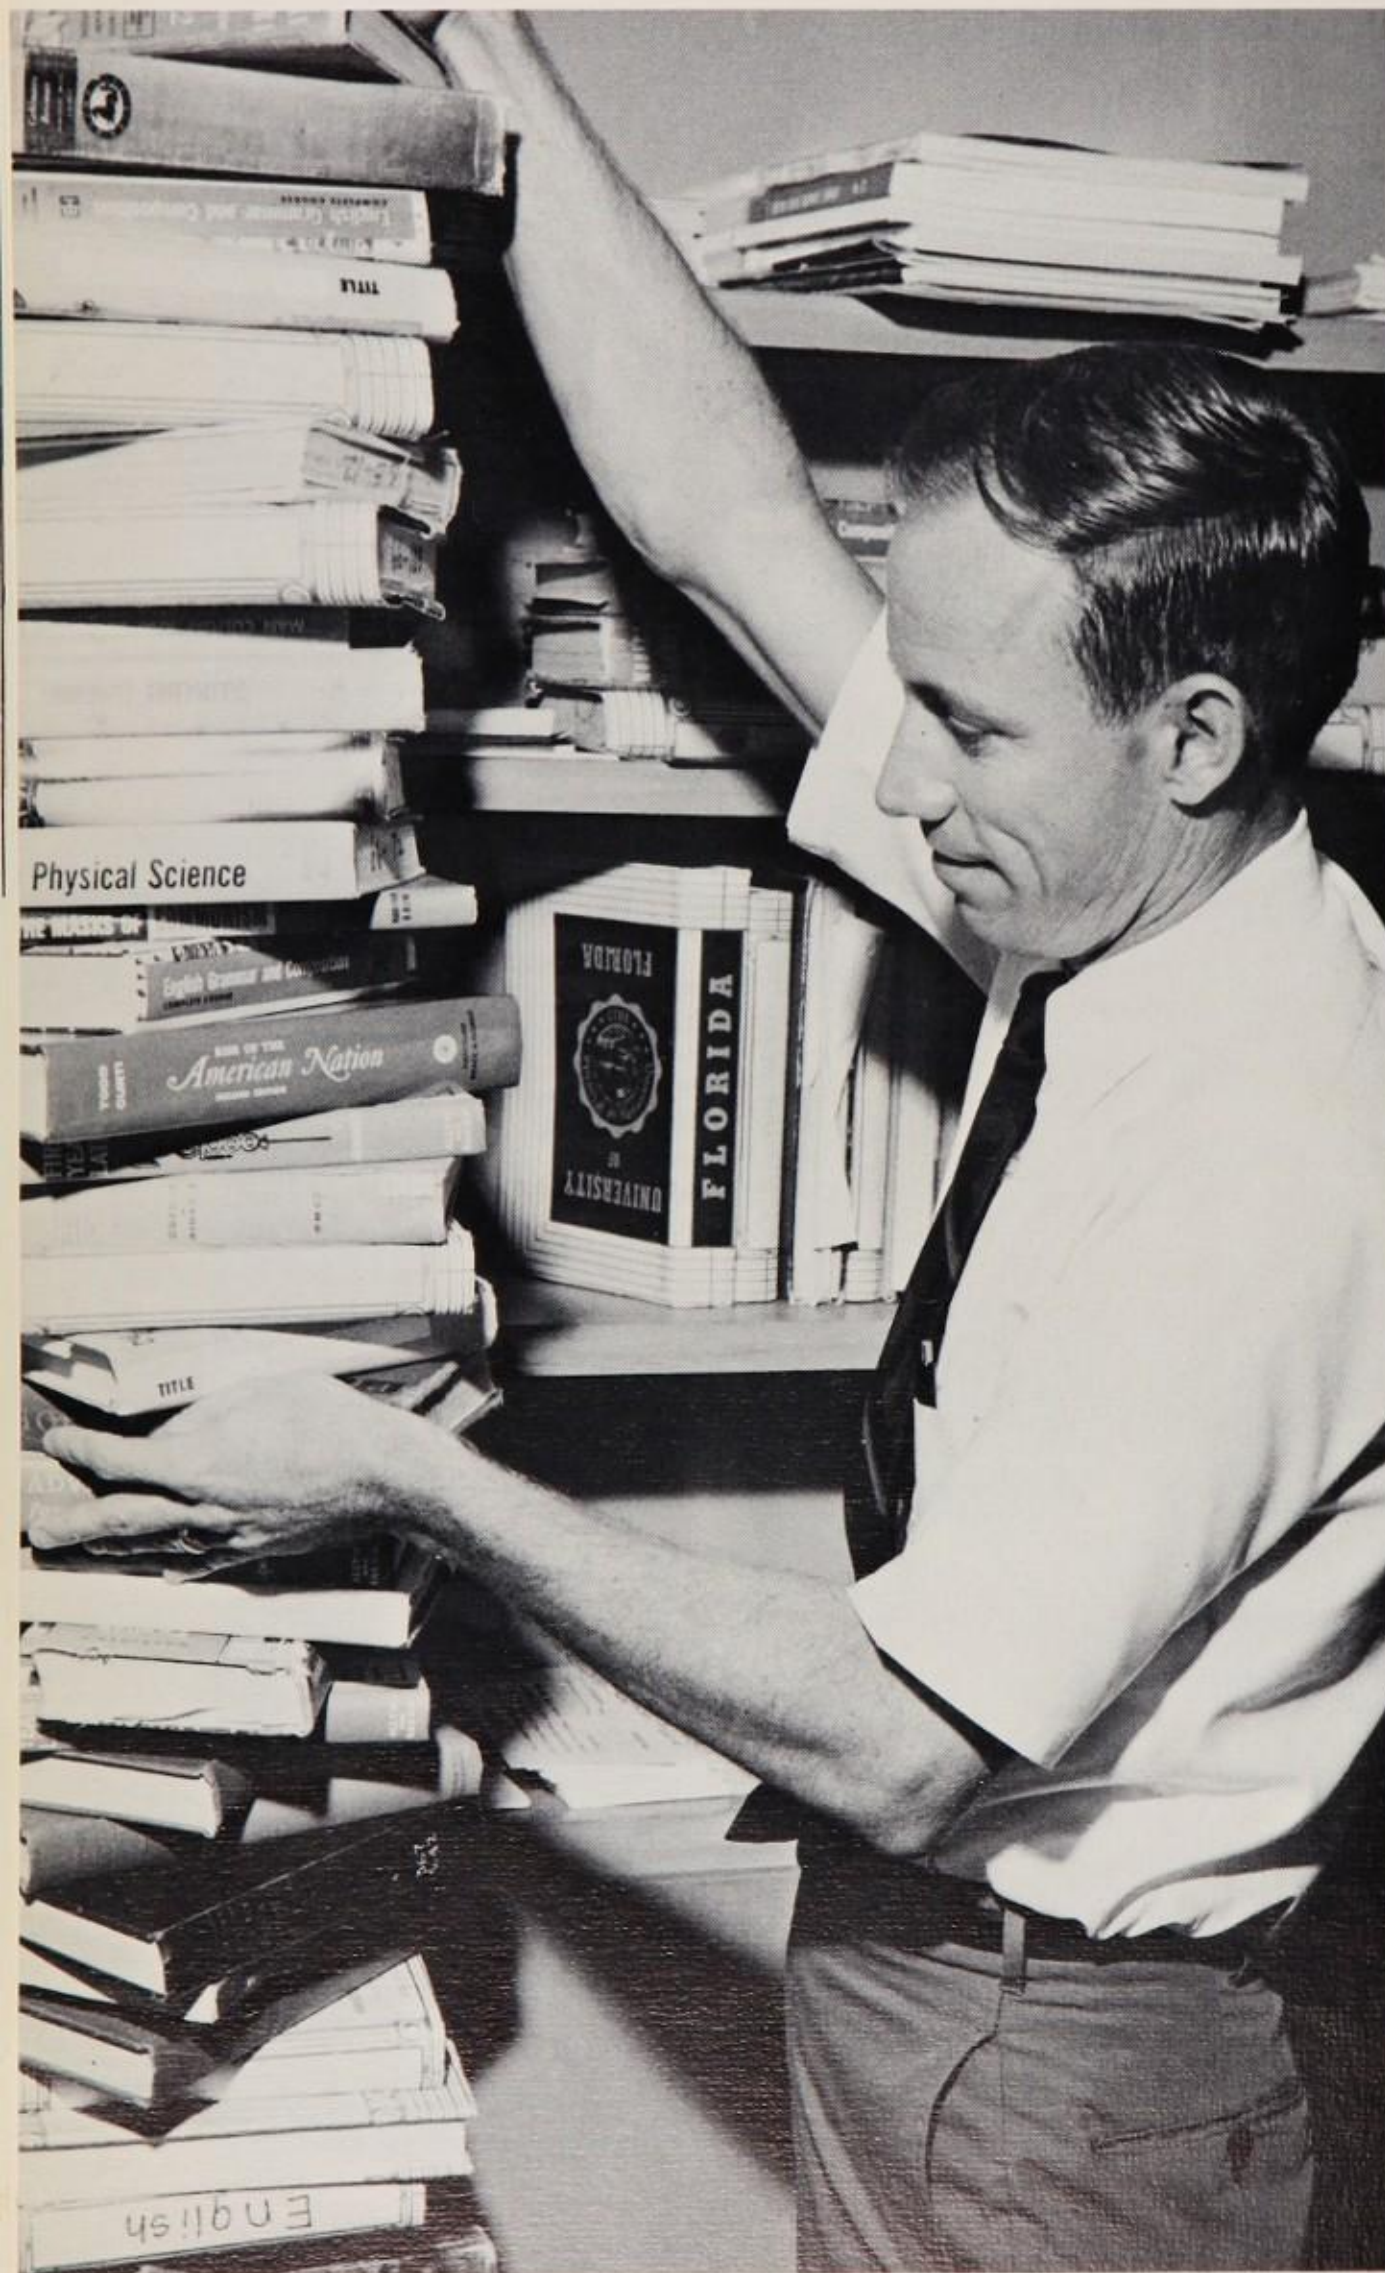

Serving his third year as GHS's assistant principal, John Neller, this year co-ordinated the curriculum expanded to 82 courses. He supervised student registration and scheduling, directed the issuance and use of the more than 10,000 textbooks used by GHS students.

In addition, Mr. Neller was responsible for pupil assignment, the Student Handbook and the newly-printed Teacher Handbook. Further duties included supervision of the custodial staff, substitute teachers, lunch schedules and many daily routines for students and teachers.

"But I already have 43 in that class!" exclaims Mrs. Nancy Calhoun.

LEFT: More students mean more books, Mr. Neller discovers.

Deans

Daily Check Resulted in 96% Attendance

A record 96% daily attendance was maintained due to the efficient administration of the new 16-day attendance policy by Deans Cella Hendrickson and Roy Tower. Daily phone calls from the deans' office to absent students' homes kept truancy at a minimum and a close check on ill students.

Serving as Dean of Girls, Mrs. Cella Hendrickson organized the new two division Student Council and acted as faculty advisor. She coordinated the 1966 Homecoming events. Registration and withdrawals of girls was done under her direction. Daily bulletins, activity calendars and intercom announcements were issued from her office.

Mr. Tower, in the newly created position of Dean of Boys, directed club activities. He instituted the class-decal system of car registration and parking. Discipline of boys, equipment inventory, and maintenance of buildings and grounds came under his jurisdiction.

"Hello, Tower here . . . Hello, Mrs. Hendrickson calling" — deans kept office phones busy as they checked absentees.

Association's Accreditation Recommendations

Keeping career files up-to-date is a part of Mr. Hill's job.

To meet the Southern Association's recommendation of one counselor per every 500 students, the Guidance Department, now housed in a suite of rooms in the south wing of the administration building, added two new members to its staff this year.

Mr. Fred Hill, transferring from history teacher to 12th grade counselor, supervised grade and report cards and advised seniors on proper credit demands for graduation. Mrs. Kay Selle, 12th grade counselor, guided students' vocational and college choices.

Responsible for the guidance of juniors, Mr. George Thomas answered questions, solved problems, and conducted testing for 11th graders. Mr. Jake Feaster, new to the GHS staff, assisted sophomores with subject scheduling to best fit individual ambitions.

Office Staff

Non-instructional Staff Performed Duties

Students and teachers soon learn to "ask Mrs. Crosby" for the solution.

RIGHT: "2 plus 2 equals?" By the end of the day Mrs. Delony begins to wonder.

For Efficient School

A re-organized front office made for less confusion this year, according to Mrs. Anne Crosby.

Mrs. Mildred Oliver joined the GHS secretarial staff. She worked primarily with daily attendance records, students checking in and out, and the clinic.

Guidance secretary, Mrs. Sarah Robinson, managed the correspondence and appointments for guidance counselors.

Accurately handling increased financial matters was the main concern of Business Manager, Mrs. Jean Delony. Internal accounts have grown to 115.

Mrs. Bronna Godwin, lunch room supervisor, with 19 cafeteria workers, prepared and served lunches for approximately 1400 each day.

"Eating balanced meals is important, especially for you athletes," says Mrs. Godwin.

Arts and Crafts

Department Offerings Raised to Ten Classes

This year the Arts and Crafts Department was expanded as Mrs. Ina Jo McKenzie joined the staff to teach beginning art classes.

First year students concentrated on basic elements, studying line, color, texture, value, and form. They experimented in various media with landscape, the human figure, still life, and design.

Mrs. Helen Philpott taught advanced art classes and crafts. They used new media and methods of three dimensional construction.

As an outlet for laboratory efforts they made scenery for "Flower Drum Song," participated in the Thanksgiving Window Painting Contest, and designed program covers for the Contemporary Southern Art exhibit.

Students of the crafts classes explored jewelry making, pottery, construction and leathercrafts, emphasizing individual creativity.

Students Received Training for Vocational and Personal Uses

Seven hundred fifty students received business training for vocational or personal uses in the ten business education courses.

Typing at three levels was offered. Thirty new typewriters were added to the department's equipment this year. Prospective secretaries and college-bound students found shorthand a valuable aid for preserving class lectures verbatim.

Uses of the key punch, calculators, transcribing machines, adding machines and duplicators were learned in Office Machines. Book-keeping, Business English and Vocational Office Experiences attracted future stenographers.

Allonge, tax liens, quasi contracts and estoppel became familiar terms to the 40 boys and one girl enrolled in Business Law.

Employers were honored with a Florida Fiesta featuring a cuisine of tropical foods and delicacies at the University Inn. The dinner climaxed the year's work in community offices for these CBE girls.

Public Relations was the area of concentration for this class-club group. Students were told about CBE through a picture-story information sheet distributed by guidance counselors. Visual displays were erected, newspaper stories and a special paper supplement aided the project.

An original TV story and show was adapted to other publicity media. A slide presentation accompanied speeches given at civic meetings.

Two first places — in Extemporaneous Speaking and Job Interview — and a third in spelling were won in District competition. This club has placed first in state competition in Activities and Service for the past two years and entered their Public Relations Project this year.

Federal Aid Financed Experimental Program to Improve Reading

"A first" in the English department was the Federal-Aid financed reading program. Mrs. Joann Bishop, reading specialist, worked this year with students on an experimental basis to improve reading skills.

Copies of **Contemporary American Drama**, **How to Build a Better Vocabulary**, **My Life for My Sheep**, **Major British Poets**, and other supplementary books were added to the department's already large supply. More than 5,500 paperbacks enriched students' reading.

Full length movies such as "The King and I," "Macbeth," and "Julius Caesar," records, guest lecturers, and TA lessons spiced the required curriculum.

Speech

Dramatics Class Was Immediate Success

Dramatics was this year's big addition to the speech department. While dramatics students rated it as "best course on campus," they played with enunciation exercises, skits, and one-act plays, but got down to business as they presented the GHS Christmas play in December and "Arsenic and Old Lace," in April.

To meet the increased demand for speech, five classes were scheduled.

Varied topics — such as retired servicemen, air pollution, teenage marriages, drowning, and unidentified flying objects — were used for prepared and impromptu speeches.

A 10 to 15 minute formal speech was given as the final examination. Correct techniques for speeches to convince, inform, and entertain were studied through actual practice on the B-1 platform.

Hurricane Annual Staff Worked

Past **Hurricanes** have earned national award status and this year the A-12 staff worked hard to maintain the reputation.

Pressures of an enlarged student body were felt by staff members as individual pictures mounted to over 2,000 and group shots totaled more than 70. To accurately report this year at GHS the staff wrote over 1,200 inches of copy and took more than 900 pictures.

This year of "many people," staggered shifts, crowded classrooms, and the changes necessitated was recorded in the memorable larger-than-ever 1967 **Hurricane**.

Pictorial ads, new columns, and additional feature coverage characterized this year's **Hurricane Herald**. A proposed 8-page format had to be abandoned due to increased printing costs. Fourteen regular 6-page editions were published.

Homecoming, Christmas, April Fools, and Graduation papers featured more pages and special formats.

Staff members learned basic journalistic practices by active participation in dummied pages, covering stories, counting headlines, posing and cropping pictures, selling and designing advertisements, and pasting up "camera-ready" pages.

More Than 700 Students in Three Areas

Interested in broadening their cultural horizons, more than 700 students participated in the three foreign language programs offered.

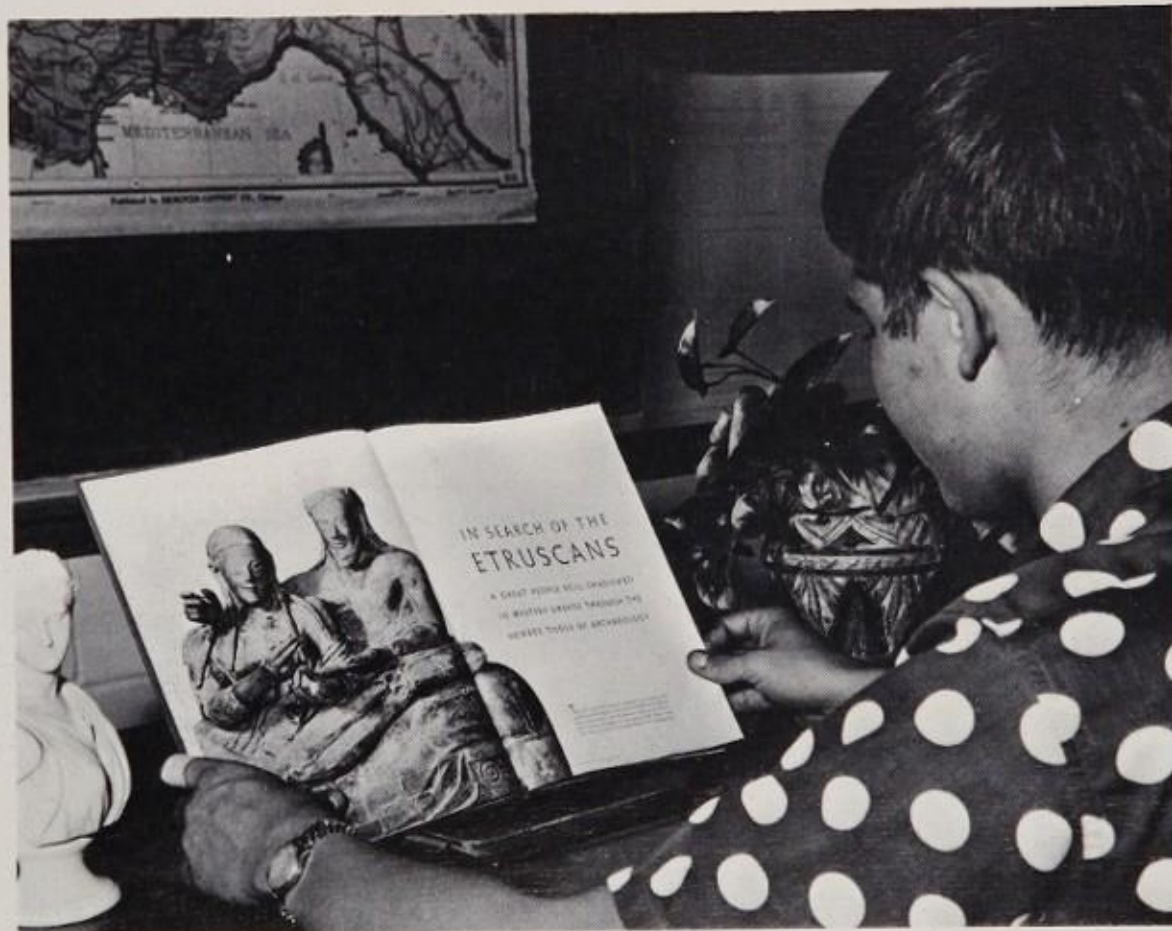

Following the "Roman Way" Latin students translated the tales of Caesar and his Gallic conquests.

Workbook practice and tape recordings on grammar dominated many hours of French classes. Reading "Around the World in 80 Days" in French tested comprehension.

Melodious strains of "Amor, Amor" came from beginning Spanish sessions. Skits and souvenirs from Spain and Mexico helped students to understand the language and the customs of these countries.

Rodgers and Hammerstein's "Flower Drum Song" highlighted the choruses' 1966-67 activities. The long, hard hours of rehearsal began in June of last year and continued until the final curtain of the last performance in November. Profits from the play enabled members to travel on Greyhound buses to State Contest in Daytona Beach.

GHS Choruses participated in the school's Christmas program. Selected chorus members attended the Florida Music Clinic which was held in Tampa. This clinic consisted of a chorus with representatives from every High school in the state, blending their 600 voices into song.

Interested members auditioned for parts in the "speciality" groups. These ensembles, including Choralettes, Hurricane Singers, Madrigal Singers, and Melodettes, provided entertainment for local civic organization and school assemblies.

Band

Two Performing Bands Represented GHS

For the first time this year, two performing bands represented GHS. One was the 85-piece uniformed Symphonic Band and the other was the 40 piece Concert Band

The symphonic group was the marching band performing in spectacular halftime precision drills at all home football games and in Jacksonville and Ocala. They also marched in the Ocala and Gainesville Christmas parades and at the University of Florida's Homecoming Parade.

They received a Superior Rating in district competition in March.

The Concert Band was a reading band with concentration on music fundamentals.

The combined bands presented a Winter Concert January 26 for the public. On April 27, a Spring Concert was presented to student assemblies and in a night performance.

Majorettes

Halftime Routines Brightened by Colorful Sequined Costumes

Distinctive new costumes added glamour to the performances of the majorette corps. The costumes were of white and the band's shade of blue, touched off with sparkling, long, white, sequined gloves.

White pom-poms served as batons during the halftime routine at the Leon football game. Fire baton drills were given at Storm Warning and Homecoming.

Majorettes marched in the University Homecoming Parade, and community Christmas parades in Gainesville and Ocala. Little girl attire was worn in the local parade and lighted batons were featured in the Ocala performance.

of Varied Programs

Personnel of the GHS orchestra averaged 50 players with demands of the performances determining the exact make-up of the group.

Orchestral accompaniment for "Flower Drum Song" was supplied and in January, 12 members participated in the Fla. All-State Orchestra in Tampa. The major part of the Youth Orchestra—wind section, strings and soloists — were GHS students.

The group rated Superior in competition in the Fla. Federation of Music Clubs. Members attended the Bach Festival in Winter Park in March. A highlight of the year's work was State Orchestra Contest in April.

The traditional Spring Concert, performed for seniors and a night audience, was given in April with a reception following to honor senior orchestra players.

Physical Education

GHS Required "Brawn As Well As Brains"

Nine hundred students fulfilled their required year of high school physical education. Boys' and girls' programs emphasized the importance of teamwork and physical fitness.

Initiated this year, a co-educational unit in volleyball was highly successful. Uneven parallel bars were added for gymnastics and the baseball diamond was improved with a new backstop and the reclaying of the infield.

Mrs. Deanne Shippey and Mrs. Elinor Reese, who rejoined the staff after a year's absence, instructed girls in a varied curriculum. Units in gymnastics, modern and folk dancing, skating, bowling, volleyball, badminton, softball, and soccer were taught.

Field sports, bowling, wrestling and weight lifting were a part of the boys' program under Coach Dicks and Coach Jones.

Control and use of skills are basics taught in boys' Phy. Ed. sports.

Strengthened Coverage

"Contemporary Issues," a course designed with emphasis on current political affairs in the community, state, nation, and world was added as a year's course this year.

An experimental course, Mass Communications, was scheduled second semester. The stress was on the evaluation of various mass media as well as teaching propaganda and advertising techniques with the concept of "critical thinking" and evaluation in mind.

Man's place in the world through expression in the fine arts was examined in Humanities. World Culture, American History, Problems in American Democracy, and American and World Affairs, Psychology and Sociology rounded out the social studies curriculum.

Science

Advanced Classes Accelerated Curriculum

Two advanced courses, Physics II and Adv. Placement Biology, accelerated the Science Department which enrolled 1122 students in its classes. Nine faculty members taught in the section.

Physics II, designed as a college course, used the University of Fla. lab facilities. In September, the class toured Cape Kennedy and attended lectures. Their tour was cut short by the arrival of President Johnson.

Adv. Placement Biology made field trips to the nematode and primate laboratories, the blood bank and to the marine laboratory at Marineland. A lecture series of nineteen men from the University Medical School was held in addition to lectures from the Biology and Botany departments of the University of Florida.

Students enrolled in both of these courses took Adv. Placement exams and many earned college credit.

Vocation Classes

Architectural Drafting, taught by Mr. Gene Roberts, was introduced this year as a 3-hour course covering the areas of architectural, electronic and mechanical drawing.

Another 3-hour class was Ornamental Horticulture. The main purpose was to provide students with background to enable them to work in such areas of horticulture as landscaping and tree surgery.

Modern Family Living presented a luncheon and panel discussion for administrative members of GHS and local junior high schools. The purpose was to better acquaint all with the new trends of home economics.

Other courses included in the vocational education department were Child Development, Textiles and Clothing Construction, Housing and Home Furnishings, Food and Nutrition, First Year Home Ec., Electronics, and Driver's Education.

Classes Supplemented by Job Experience

Grocery stores, telephone switchboards, the post office, and other business places in town were classrooms for DE students. After morning class work, generally and specifically related to job experiences, the 24 students spent afternoon hours at jobs.

The group held a Valentine party for cottages of children at Sunland. In February, a club luncheon was held at Aunt Jemima's. Letters to service men were sent to overseas posts as a club activity.

Delegates attended the state convention in Jacksonville in March. The traditional Employer-Employee Banquet in the late spring honored students' bosses.

DE complimented the school with a DECA sidewalk leading from the front of GHS to B wing. These twenty-one students not only worked hard in their employment, but also were entertained with a funfilled hayride in the fall and breakfasts at Aunt Jemima's. Their annual Employer-Employee Banquet took place in May.

The class made itself known as it had candidates for both the DECA State Secretary and DECA State Sweetheart. Another representative of the state-wide Leadership Conference was a member of the Courtesy Committee. The conference was held at the Robert Meyer Hotel in Jacksonville on March 9-10-11.

The State Leadership Conference for Cooperative Education Clubs was held in Clearwater. Four of Mrs. Margaret Tomlinson's students attended, one of whom entered Parliamentary Procedure. In the October . . . District contest in Tallahassee, a GHS DCT student placed runner-up in extemporaneous speaking.

Breakfasts at Aunt Jemima's before classes entertained them, in addition to a dinner at the Holiday Inn and a hamburger cook-out. On April 3, students had their employers as guests at the traditional club banquet.

The students offered their services to the school as they sold graduation announcements to the seniors, and helped with the distribution of caps and gowns.

Library and Audio-Visual

More Shelving Required for 1,500 Additions

Room-dividers in the east and the west side of the library provided needed shelves for additional volumes. More than 1,500 new books were catalogued and added to swell the total to nearly 15,000 volumes.

Library secretary, Mrs. Eloise Haile, joined the staff to give librarians more time to help students and teachers. Also, to give more service, library hours were extended to 7:30 a.m. to 4:00 p.m.

Policy changes regarding overdue books, reserve books, and magazine check-out were instituted to keep books and magazines more readily available to all students.

Audio-visual materials use increased greatly this year. More than 500 films were shown in classes. Filmstrips, transparencies, tapes, globes, etc., were frequently used. Several new overhead projectors augmented AV equipment. Approximately 800 transparencies for overhead projector use and about 100 tapes were catalogued in the library card file.

Design for Daily Living

Federal Funds Provided Versatile Training

Federal funds from Federal vocational Rehabilitation enabled expansion of the curriculum for Design for Daily Living classes.

New sewing machines, typewriters, and the installation of a beauty bar and a greenhouse permitted training in many new areas. Students laid a tile floor and learned the correct care of it. Shampooing and setting were practiced at the beauty bar. Simple office typing and personal typing were taught.

Students made drapes for the new department and designed personal clothing. Work in horticulture was done under the supervision of resource personnel. Boys learned cooking and food management in a restaurant project and girls studied first-aid training for jobs as nurses' aids.

PARTICIPANTS

Candles were lit from a flame of meaning. New members of honor, interest, and service organizations anticipated hours of fun and work.

Working for GHS, Gainesville, and the state and nation, members learned to give unselfishly of themselves and their talents. They enjoyed belonging and found understanding broadened and friendships deepened.

Honor clubs maintained high standards, and set high requirements for admission, rewarding excellence in sports, journalism, language, mathematics, and dramatics.

Diversified interest groups allowed members to join together in areas of common enjoyment.

Active service clubs worked hard for school drives, campus landscaping, community drives and aided the old, the retarded and the needy.

Legislature to Meet Student Body Expansion

This year the Student Council was composed of two houses: the Senate, consisting of 34 members, and the House of Representatives, with 58 members. Both Senate and House set up joint standing committees that worked with scholarship, our constitution, the handbook and school dances.

Heading the list of projects was the school-wide magazine sale which provided more than \$1,000 to buy a new bandstand.

Other activities included furnishing grounds with new plants, selling parking decals, sponsoring dances after home games, and selling Lion's Club Bar-B-Que tickets.

"Clean-up" Initiated

To arouse school pride in campus and classroom cleanliness, ICC initiated a "clean-up" campaign with competition among the service clubs. Each club was asked to provide a trash can marked with the club name and insignia. Prizes were awarded periodically to the club having collected the most trash.

Mr. Roy Tower, dean of men, served as adviser and aided in coordinating club activities along with student body secretary, Susan Myking.

Seventy dollars were donated from ICC to the March of Dimes Drive in February. The money was earned from a dance held after the GHS-Mainland basketball game. Mr. Sonny Chamblin, GHS alumnus and chairman of the community drive, met with the ICC group earlier and aided in plans for the dance.

Abby Ash Attended West Point Symposium

Research paper winners, Abby Ash and Jeanne DuBois practices for convention presentation.

One of six Florida science students honored by being invited to the National Jr. Science and Humanities Symposium, Abby Ash went to West Point April 19-22.

Earlier, Abby's paper, "Stonehenge: A Neolithic Computer," was one of eight winners in the senior literary competition of J. A. S. in Florida. Her paper was read at the State Convention. The eight winners in this division and eight from the experimental division plus ten others selected entries were submitted for further judging. The Symposium invitation went to only six of these twenty-six entrants.

Jeanne DuBois was selected as an alternate for the experimental division for the State Convention.

J.A.S. members visited the University of Florida observatory. Guest speakers included Dr. Paul Elliott, who spoke on "Bioluminescence in Marine Animals;" and Mr. Armand Dennis who related African experiences.

Thespians

"Purgatory Relived" Won First Place in Storm Warning Competition

"Purgatory Relived," presented by Thespians and Hurricane Players was the award winning skit at Homecoming. Using group ideas and suggestions, a small committee polished and perfected the presentation.

Other productions in which Thespians took part were Roger and Hammerstein's "Flower Drum Song," "Christmas Madonna" which brought the spirit of Christmas into the minds and hearts of GHS students, and "Arsenic and Old Lace" a comedy presented in the spring by talented members.

Membership into this National Honor Club is allowed after 10 pts. have been earned. To acquire these points the person must help with plays, be active on various committees, act, and be a Hurricane Player.

at Christmas Season

Christmas carols, speakers, initiation, and parties were the major agenda for French Club 1966-67. On December 19, members went to several "French" homes to carol en Francais; afterward they gathered for their yearly seasonal party.

Dr. M. S. Heidingsfield entertained at one of the regular meetings as he spoke on his personal experiences in France with his slides of Paris and Southern France as a guide.

On February 25, the French Club Banquet was held to initiate more than 55 members. The occasion was alive with the Mardi Gras theme and Madame Nadeau spoke on young people in France.

Members ended the year with the traditional picnic and election of new officers.

Spanish Countries Were Animated by Souvenirs

Students who had previously visited Spanish-speaking countries presented a program to the other members of Los Sombreritos. Comments about their trips, pamphlets, photographs, and souvenirs made this program an especially interesting one.

During the year two lectures were given by Mrs. Linda Raatama, a Spanish intern and former student at the University of Barcelona. She showed colorful slides and talked about her experiences as a student.

Other highlights of the year included participation in the traditional flag parade on Pan-American Day, and watching the presentation of "My Fair Lady" in Spanish by the second year Spanish class.

Future Secretaries of America

Get Acquainted Party Began Active Year

FIRST ROW: Gloria Harrison, Sec.; Carol May, Vice-Pres.; Linda Reynolds, Pres.; Jill Steadham, Treas. SECOND ROW: Mrs. Sarah Brown, Adviser; Sandi Tillman, Alice

Oyenarte, Cindy Hines. THIRD ROW: Kathy Gilford, Linda Spann, Joyce Rogue, Lyn Van Leer, Carol Scheck.

A "get acquainted" meeting started the year off with a wiener roast at Mrs. Brown's home. Girls interested in the secretarial field joined together as a club in order to discuss the aspect of becoming secretaries.

Monthly meetings brought guest speakers as well as talks on various subjects by club members. Mrs. Butler, representative of Merle Norman and keynote speaker of the year, gave a talk on good grooming.

A carwash was held at the beginning of the year to help pay the club's expenses.

"Kansas City, here I come!" exclaims Rodney Rogers.

FAR RIGHT: Randy Jones practices for the FFA turkey shoot.

A two-day camping trip in the spring climaxed this year's activities. This gave the boys an opportunity to tour some large nurseries in South Florida.

Local businessmen donated merchandise for FFA's annual auction. Proceeds from the auction and club dues provided money for members to attend state judging contests and state and national conventions. Rodney Rogers, chapter president, attended this year's National FFA Convention in Kansas City.

In the fall, the GHS chapter held a Leadership Conference for FFA chapter of District III.

FOURTH ROW: Pam Whitlow, Nancy Mitchell, Randy Greene, Bill Lineaweaver, Scott Gross, Lyla Brogdon, Nancy LaBelle.

Funds raised from the bake sale held on October 15, along with profits from the toothbrush sales, paid for this year's publication of **Scribblers' Sketches**.

This magazine was completely prepared, printed, published, and illustrated by the members of this club, and all of the literature used was either created by the Scribblers themselves or selected from original works written in English classes by students.

The twelve new members were tapped on October 27, and formally initiated on November 9.

Inspiration for creative writing is symbolized by Vicki Krezdorn.

"Stretching the Clothing Dollar" was the theme of the Channel Five Home Ec. Special in which FHA participated. A panel of FHA'ers and high fashion models presented consumer education information.

Plans and activities for the year were formulated by the executive council. Flower arranging, cake decorating, and self improvement were some of the topics of meetings.

On Halloween, the FHA members dressed in costumes and collected for UNICEF; in December faculty members were guests of the club for the annual Christmas tea.

Bikehiking to the Millhopper, swimming at Howard Johnson's Motel, and playing miniature golf at Putt-Putt, accented this year's activities. In addition to these there were softball games in the City Park, bowling at Palm Lanes, and basketball in the school gym.

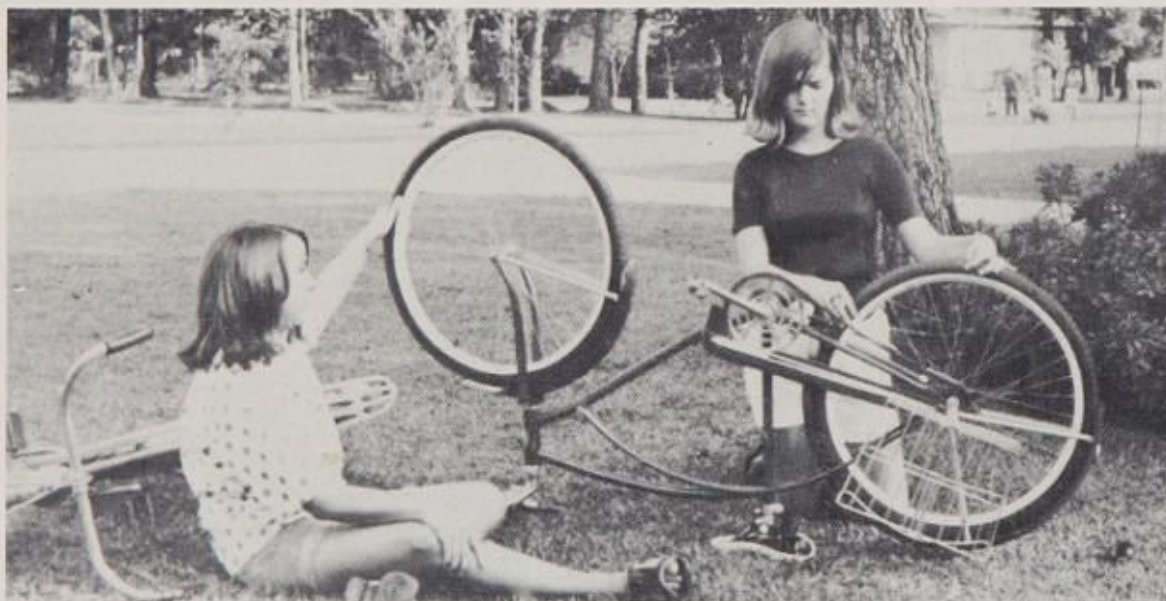

The GAA intramural basketball team led by Sue Trieste's remarkable shooting, finished in a four-way tie for first place honors.

The only intra-school meet was a volley-ball match with Ocala.

Candy sales netted a \$100 profit which was used to finance a spring banquet and help with a week-end post school week-end camping trip.

Within these first three years, GHS has been successful in fulfilling its purpose of stimulating interest in recreational and athletic sports.

As a result of participating in athletic events, weekly meetings, and special projects, members were eligible for coveted G's.

Para-Med Volunteered Services at Hospital

Para-Med members performed voluntary services at the Gainesville Nursing Center and in the Alachua General Hospital this year.

In addition to hours of working at the hospital, they collected for the March of Dimes, and stuffed animals for the "Ship Hope."

Social activities included parties, cookouts, and sending Carol May, president, and four members to the state convention.

Depicted at Christmas

Customs of the Spanish speaking countries were depicted at the annual Christmas party. Such customs as Las Posadas and Las Doce Uvas de Felicidad were illustrated by members of the club.

On March 10, twenty students attended the Florida State Spanish Conference in St. Augustine. They participated in three areas: skits, declamations, and extemporaneous speeches. Students also enjoyed touring the old Spanish city.

The Pan-American Day program on April 14, was highlighted by the LSA skit presented in Spanish. LSA has sponsored this program since 1945.

Transported Loyal Cane Boosters to Games

Pep Club divided into three main committees; they consisted of football, basketball, and spring sports. Throughout the year these committees promoted school spirit in their specific areas.

Sponsoring booster buses to away games and motorcades to home games, hanging posters in the halls, handing out megaphones, rulers, and car window stickers, giving out helium balloons at Homecoming, making a hoop for the football players, and providing a pep band contributed to Pep Club's success.

as Service Project

Preparing an outline of the history reference books available in the school library for the history department headed the list of club projects for this year. Members sold football balloons, collected for the TB drive, and sold purple license plates with white lettering to boost school spirit.

Four officers attended the Regional Meeting at Jacksonville University on Dec. 10. The program included a discussion on service and money-making projects, a skit illustrating parliamentary procedure, and a formal luncheon.

Highlighting this year's social activities was the crowning of the Anchor Admiral and First Mate. An Anchor representative rode in the Christmas parade. The club's traditional Alumnae Tea and a Mother's Day Tea were also given.

First Days of School

Gay flowers, donated to each classroom by Beta members, brightened the first day of school for GHS students and faculty. Beta also sold over 150 traditional white chrysanthemums at Homecoming.

Through car washes and bake sales, Beta raised enough money to revise the Head Hunter and Mover nameboards in the gym. They also donated a Hurricane Warning flag and a victory flag to boost school spirit.

Service projects for the community included giving Thanksgiving and Christmas baskets to needy families, selling balloons and addressing envelopes for contributions for the March of Dimes, and giving a Christmas party at Sunland.

From their many service projects, Beta earned over 600 points to receive the YMCA-sponsored Red Triangle Award. This award is presented to clubs throughout the state of Florida.

Sidewalks and Chains

Rolling out project after project, the "wheel" kept turning all year. Sprucing - up included painting the parking lots, working on the grass-plot, and installing sidewalk and chains at the faculty parking lot.

Fund raising activities consisted of carwashes, selling corsages at the U of F football games, selling Hurricane T-shirts, and staging the annual Mr. Legs Contest for the March of Dimes.

Teams were fielded in basketball and football intramurals and the club inaugurated a new project—the Wheel Derby—a competition between girl's service clubs. Turning thoughts to summer, a surfing film was sponsored. Hard working members were rewarded by attending the state meeting in Jacksonville.

Mats Donated to Gym

Two purple and white permanent-panel mats costing \$180 each, were donated to the gym by Keyettes. The 6' by 12' mats added decoration to the gym as well as protection for basketball players.

Other non-profit service projects included donating Christmas presents to under-privileged children under the direction of VISTA and canned goods for Christmas and Thanksgiving baskets for three needy families. The 43 provisionals collected 10 tons of newspapers for the Salvation Army, and over 1000 books for the Teaching Hospital and the Public Library.

To meet the demands of an enlarged student body, a new girls' service club, Lionettes, was organized. Members worked hard to win recognition and to make their club a success.

They began the year with a coke and bake sale during the Homecoming Parade. The \$90 in profits paid for the statue "The Hand of God," which they donated to the blind school in Daytona. At Christmas time members presented a needy family with a tree, presents, and dinner. They also supplied the teachers' lounge with candy and decorations.

INDIVIDUALS

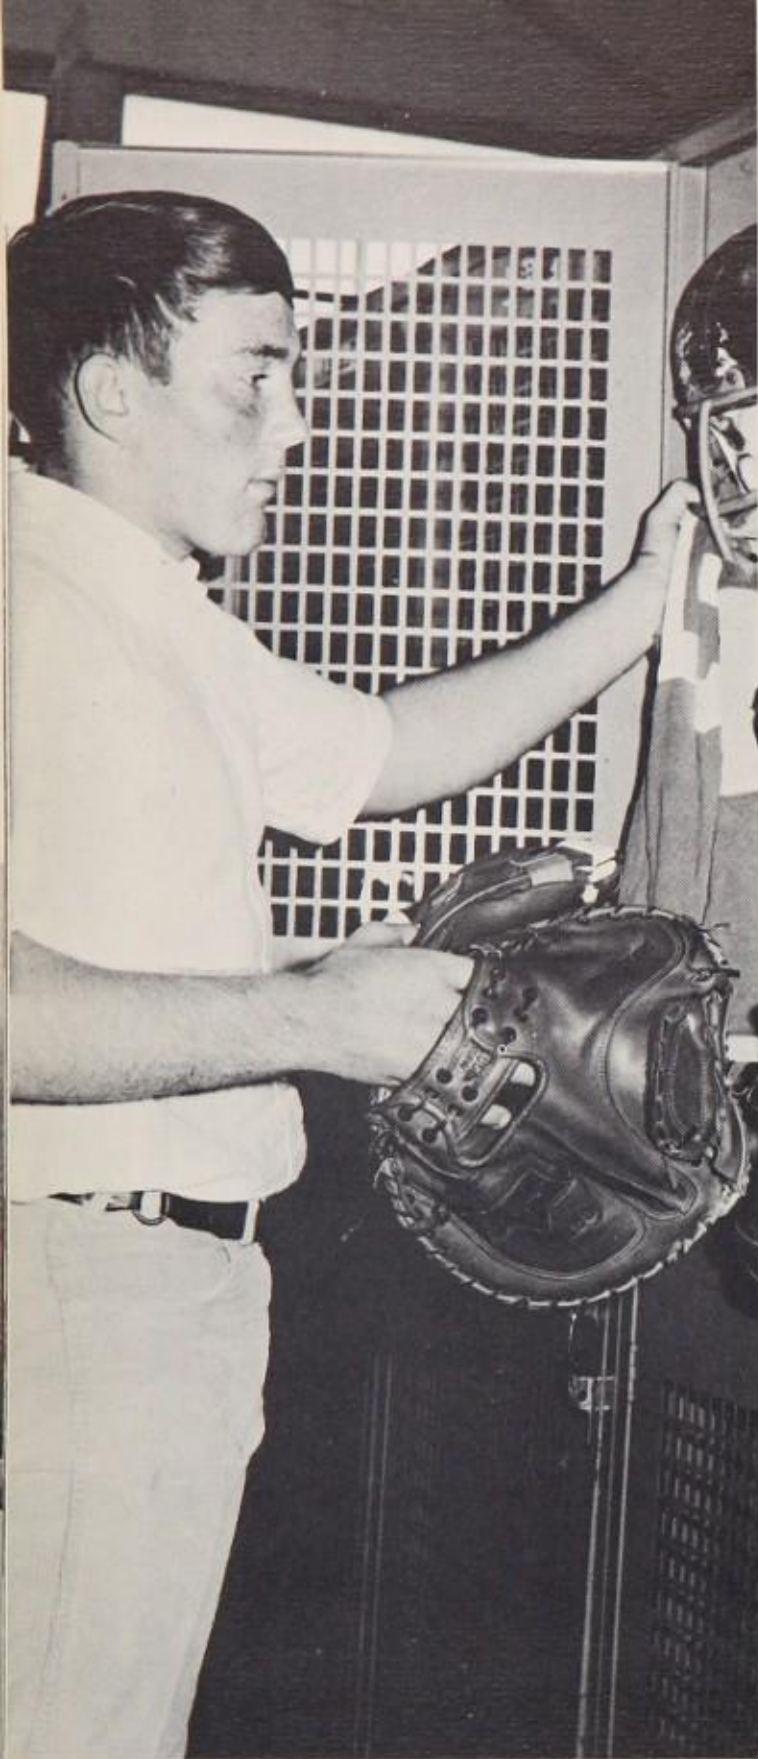

GHS students held their places in the "now generation." They became the "now people," sensitive and sophisticated in a generation of dazzling diversity and no fantasies.

Seniors, juniors, and sophomores made up the large, but not faceless population. They valued eloquence, honesty, and good looks, and schoolwork came second to Snoopy and Steve Spurrier.

GHS students did their part to maintain high academic standards and to reach even higher accomplishments than in the past. More aware than ever of the problems of the world, they tried to compress a lifetime into a day, only to find the days shorter than ever. With each individual forming part of the whole, GHS had the largest student body in its history—over 2,000 strong.

Classmates and a faculty committee chose five seniors for the 1967 Hall of Fame.

ATHLETICS — **LEN FULLER** lettered in football for three years with more than 100 game tackles to his credit. Len was also a three-letter catcher with a batting average of over 300.

CITIZENSHIP — **JEFF MONTGOMERY** exemplified good citizenship in his work on council committees and as senior class president. He chairmanned the Scholarship Drive. Jeff was also a state-rated diver.

FINE ARTS — **CHAD REED** delighted audiences as the Negro handy man in "You Can't Take It With You," the sage Chinese father in "Flower Drum Song," and the vigorous Teddy Roosevelt in "Arsenic and Old Lace." Chad was also a three year chorus tenor.

LEADERSHIP — **JOHN MACDONALD** was president of the largest student body in GHS history. He presided over the bi-cameral student government and united students with intercom announcements.

SCHOLARSHIP — **EDDIE REID** repeatedly ranked high on all testing. He made a 494 on Senior Placement, 158 on Nat'l. Merit and 144 on PSAT. He was a National Merit Finalist.

Backed by his accumulated knowledge, Eddie Reid smilingly accepts any test.

Seniors

The Beginning of Our Great Senior year

Our last year, our Senior year—so much to look forward to, so much to look back on. There were the joys and the small tragedies. We loved being the all-wise, all-powerful. At pep rallies we led the student body with our loud acclamations of "senior power."

After the new year, regret became a part of us. We looked back on what we had done and realized how much more there was to do. We attended the Prom as honored guests, remembering all the fun it had been decorating last year. We ordered our invitations and were measured for caps and gowns. Anticipation rose for graduation was near—just mentioning the word made us feel old . . .

Pomp and Circumstance, O.K., ready now, one, two, and step. And then too soon it was over. There were reluctant farewells, tears of happiness and of sadness. Does time always go by so quickly?

A full locker, symbolizing what has been.

7:30 Shift Brought Drowsy Seniors

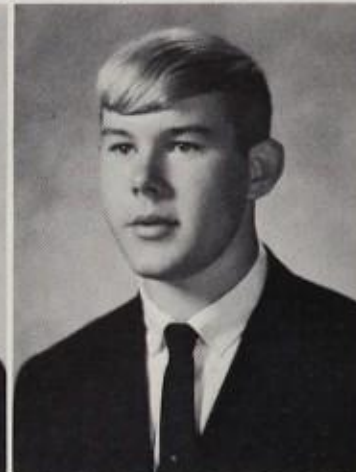

7:00 A.M. . . . Last-minute sweet dreams for sleeping beauty, Alicia Pavelka.

7:15 A.M. . . . Wide-awake now but she'll never make that early-bird class.

7:20 A.M. . . . That old untrustworthy alarm clock gets a hefty heave-ho.

Juniors

Another Year Started as Vacation Ended

Here we are, juniors, those "almost great" people, a little higher, a little wiser but not yet the leaders. After we shed the insecurity of our sophomore year, we quickly accepted the responsibilities of being junior classmen . . . the middlemen.

We not only gained the eligibility but the entrance into all school organizations. Induction into N.H.S. became a reality. We became club participants, outstanding sports figures and brilliant scholars.

Class rings, our first taste of seniority, were proudly worn. Feverish excitement grew as we sold 19,868,000 inches of Christmas paper for the Junior-Senior Prom. The magic night came . . . April 20. Aching backs, blistered feet, and dirty hands were forgotten in the thrill of that special dress, fragrant corsage, swinging music and HIM. As our junior year ended we became aware of the closeness of our senior year.

There's still so much to do, so much to see and just one more year.

Sophomores

Sophomores Finally Reach the "big place"

Sophomores starting out again being the low man. Getting used to a much larger school, and the TA being at the wrong end of the campus, all became part of the beginning of school.

They went through the tough work of provisional period in order to be admitted into clubs. They began to realize the wide span of opportunity at GHS and enthusiastically took part.

As the year ended, the only thing on their minds was Sophomore Frolics—what theme, when, and whom to ask. Hard work and the time spent made for a spectacular dance—Sophomore Frolics '67.

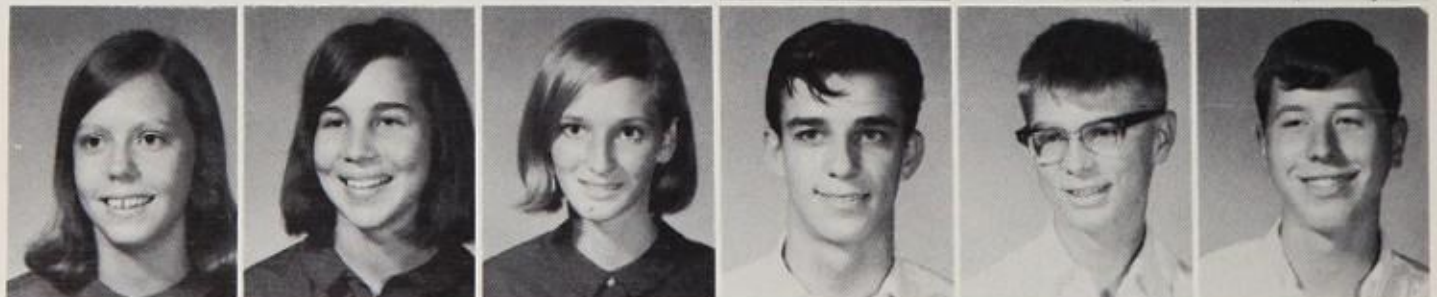

Afterwards, they realized how near the end of the year was. They had assumed responsibility, overcome many difficulties, had a great time and proved to be an outstanding sophomore class.

An empty locker, symbolizing the beginning . . .

ATHLETES

1966-67 became a banner year for the GHS sports program.

A gung-ho football squad fought through its most controversial year to turn in a winning season.

Led by returning lettermen, the "round-ball boys" drew new interest to basketball. Teamwork and spirited play were the key words as the Canes emerged victorious time after time.

Practice began early in the year for Spring Sports participants. Swimmers plunged daily into frigid waters. The tennis and golf teams gained victories early in the new year. Track produced new stars to compete for honors throughout the state. With high averages and Cane spirit, GHS diamond men faced opponents.

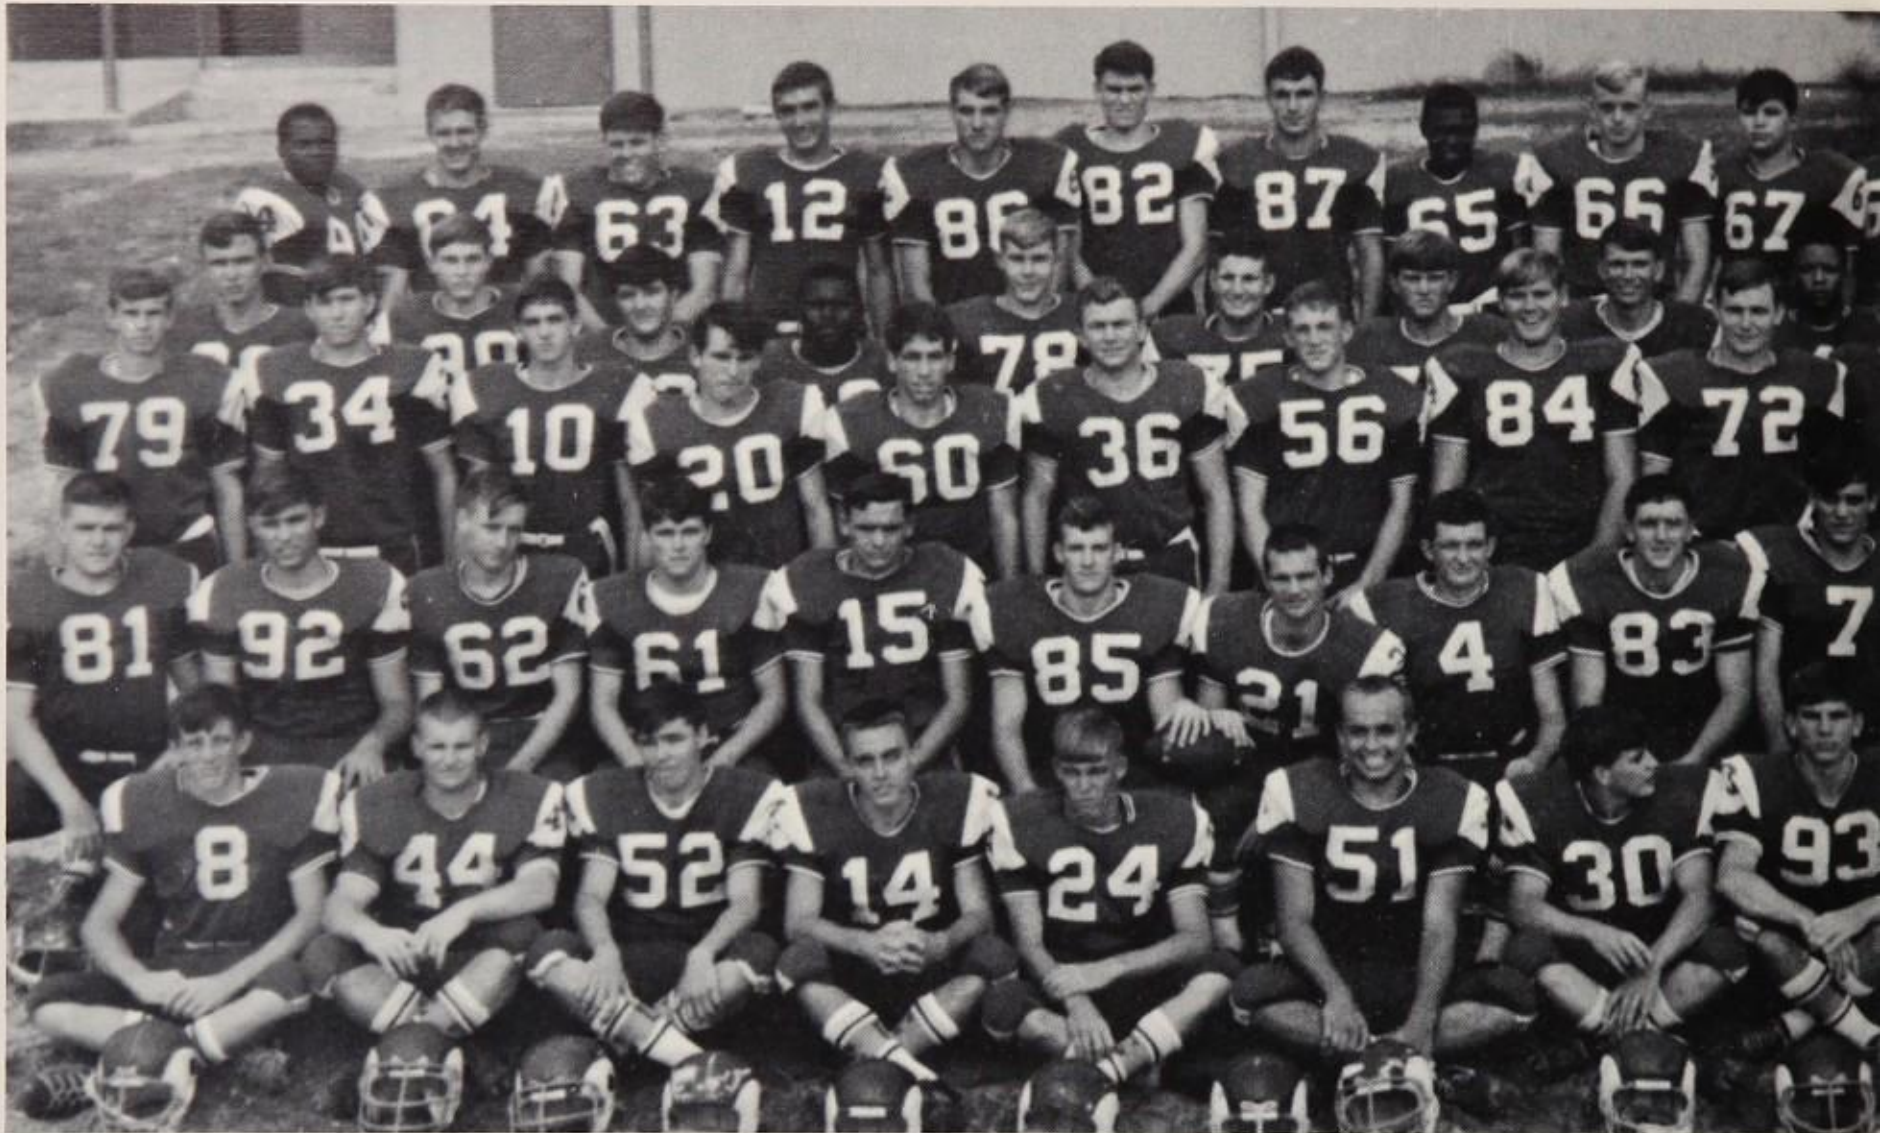

For sports it was a good year filled with enthusiasm and pride for GHS.

Record to Produce "a Winning Season"

Head Coach Jim Niblack was looking forward to a prosperous year. The Jax victory gave Gainesville high hopes, and after tying Pensacola, number five in the state, the Canes traveled 365 miles to challenge the number one team in South Carolina. Although the game ended in discouragement as one great Hurricane team played its heart out striving to outplay Greenwood; the Canes returned to home field to defeat Edgewater. Downstate they made a name for themselves as they massacred the Sarasota Sailors.

Disappointment, because of disciplinary action, struck, and for the next three games the team played without twelve Canes. Readjustments were made, and those second-half comebacks thrilled spectators. The coaches then asked for "a winning season." The fighting Hurricanes replied with two straight wins over rivals Ocala and Leon. Still a "real fine team," the Canes pulled through with a 5-4-1 record.

Canes Crushed Lee in Gator Bowl Opening

JACKSONVILLE — Over 500 fans witnessed an all-out Cane effort as the Hurricanes forced Jax Lee to a 26-6 loss. With the tandem effort of Tommy Hanssen and Allan Spear, the Canes displayed a brilliant offensive attack. Not to be outdone, the defense struck back, holding Lee to a mere six points.

The Gator Bowl romp began early as Gainesville took the ball on its own 40, and within eight plays marched the length of the field for the first touchdown. Minutes later a Lee fumble set up the second TD. The combined offensive talent of Spear, Hanssen, and McAshan drove the pigskin the remaining 29 yds. to the score. A break deep in Lee territory and a three yd. dash by Sanders ended another drive and set the score at 19-0 at the half.

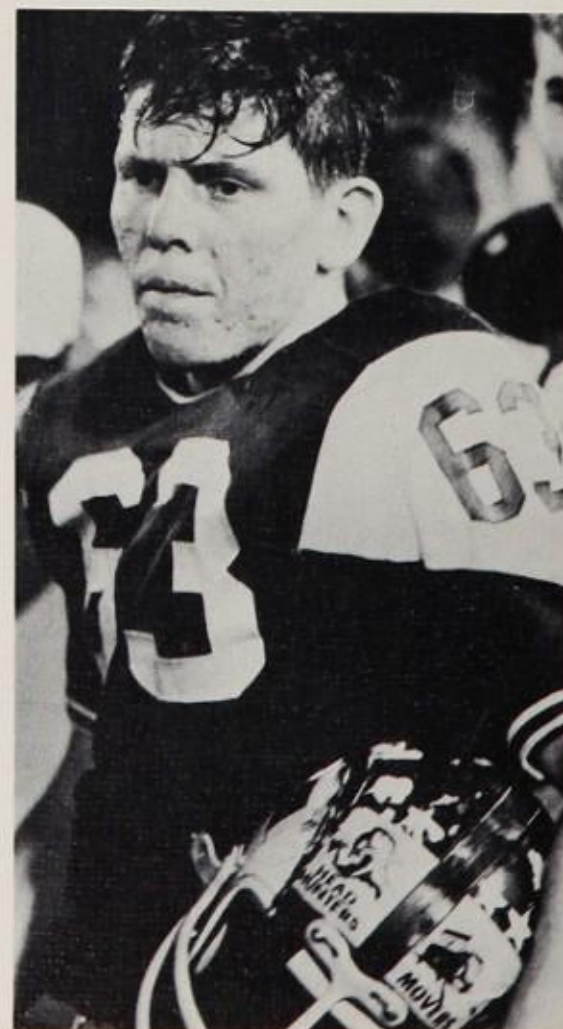

The second half again found Gainesville completely dominating the Generals. Coleman Stipanovich tacked on six more points to end Cane scoring. Throughout the game the Headhunters exhibited an outstanding performance, allowing the Generals to score only in fading moments.

GAINESVILLE — Compromising is not the best way to solve a dispute, but it beats losing. Fifth-ranked Canes, led by sophomore sensation Eddie McAshan, came from behind, with minutes left in the game, to tie a fired-up squad of Tigers. A not-so-thrilling first half climaxed by a 40 yd. TD run that was nullified by an offsidess penalty, ended in a scoreless tie.

Pensacola took the ensuing kick-off on their own 27 yd. line from where they unleashed their powerful running attack which rolled up four consecutive first downs, for a total of 72 yds. and six points.

A flurry of offensive action which included the losses of three fumbles exchanged the ball several times before Gainesville was able to complete two passes good for 53 yds. to leave them on the Tiger's six yd. line. A momentary setback caused by another exchange of fumbles did little but temporarily delay the Canes as they drove in for the score with less than four minutes remaining in the game.

Canes Bowed to Strong Greenwood Rival

GREENWOOD, S.C. — Greenwood handed the Purple Hurricanes their first loss of the season, 26-14, before a handful of loyal Floridians. Penalties harrassed the Canes at every turn. Two touchdowns and nearly 200 yds. were called against them.

Greenwood turned two interceptions into touchdowns while holding Gainesville to a mere 15 yds. on the ground to go ahead 12-0 in the first quarter.

Gainesville scored in the second period as Tommy Hanssen plunged in from two yds. to climax a 65 yd. drive. The Emeralds took advantage of a 55 yd. punt and a 43 yd. run to gain a 19-7 halftime lead.

GHS marched 52 yds. to score in the third period following a fumble recovery by Allan Spear on the Greenwood 48.

Greenwood, undaunted, gathered in the ensuing kickoff and rambled 85 yds. in four plays to put the game on ice.

Early in the Season

GAINESVILLE — The Purple Hurricanes posted their second win of the season, as they defeated Orlando Edgewater, 26-12.

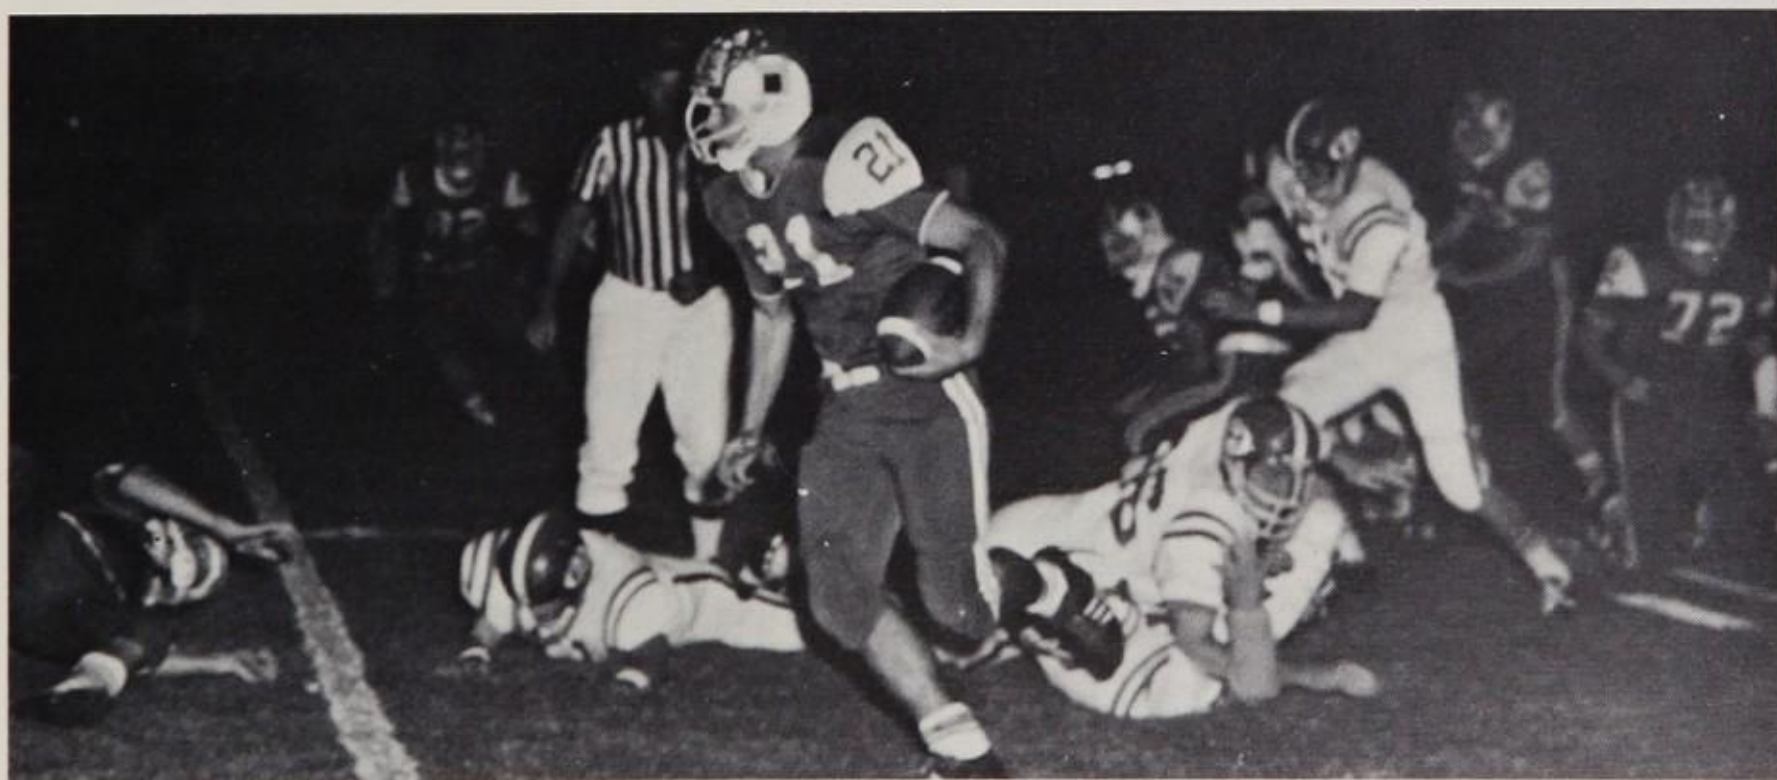

The first score went up on the GHS side of the board late in the opening period as the Canes drove from deep in their own territory to score in seven plays, following a strategic fumble recovery. The PAT failed and GHS took a slim 6-0 lead.

The Canes scored again in the following quarter as Allan Spear plunged over right guard.

GHS fumbled a punt on their own two yd. line, where an alert Eagle defender quickly recovered it. Orlando promptly scored with 25 seconds remaining to be played in the first half, to make the score 13-6.

Late in the third period, Edgewater raised their score to within one point of GHS's on the merit of a fake punt.

Two final scores in the fourth period, left the score at 26-12.

Pressure Was Culminated as Canes Faced

TOP: On end-sweep, McAshan goes for a first down. Complete bedlam? No, a Sailor trying to gain.

RIGHT: Johnny Jackson, Cane defender, prepares to block a Tornado.

SARASOTA — Keying on the running of Tommy Hanssen and Alan Spear, GHS trampled Sarasota, rolling out 500 yds. of offense.

The Canes scored twice in the first period. Gainesville took only three plays to score in the second quarter after a bad snap from the center forced the Sailors to surrender the ball on the 50. Sarasota's single score came on a 52 yd. pass play with only seconds left in the half.

A recovery on the Sarasota 3 set up the fourth TD early in the third period. The Canes made many offensive mistakes, but snapped back to score the final two tallies to 40-7, and the record at 3-1-1.

GAINESVILLE — A last minute rally by GHS fell short, as Panama posted a 20-14 victory. GHS, after spotting Panama 20 pts. in the first half, retired with visions of a second half comeback.

And comeback they did, as they stormed within six points of the Tornadoes' and almost pulled out a victory.

GHS's first score came on two plays covering 88 yds. The final score came midway through the fourth period as McAshan connected for 73 yds. McAshan hit Hanssen for a first at the Bay 16. Then the Tornadoes toughened up, holding the Canes to insure the win.

Toughest Opponents

POMPANO — GHS, unable to deliver the winning punch, after numerous long drives, dropped a hard-fought battle to the Golden Eagles of Pompano 14-10.

Not able to go in for six points, the Canes settled for three, via a 20 yd. field goal by Allen Reeves to take a lead. A grinding Pompano offense then proceeded to tack on 14 pts. in the remaining minutes of the first half.

McAshan took the ball in for the second GHS score climaxing a 66 yd. drive. This proved to be the final score of the game.

Running room? There is none as the Canes stop the Tornadoes.

LEFT: Tommy Gassett—sidelined by injury.

Homecoming Ended with a Disappointing

GAINESVILLE — A 90 yd. pass play in the closing minutes of the game ruined a perfect Homecoming for Cane fans.

The Daytona Bucs scored first, but an intercepted pass on the Canes' 15 set up a GHS TD early in the second quarter. At the close of the first half, the Bucs picked off a Cane pass and three plays later completed a 24 yd. pass to maintain a 14-7 half-time lead.

GHS dominated play in the third period, scoring two touchdowns to take their only lead of the game.

The fourth quarter was an exchange of punts, and with only seconds left, Mainland bombed in a pass to defeat the Hurricanes 21-20.

OCALA — A capacity crowd at Webb Stadium looked on as the Canes edged by arch-rival Ocala, 14-13. Neither team was able to go ahead in the first half as they battled to a 7-7 deadlock.

Early in the third period Ocala scored to climax a 60 yd. drive as Pennuto carried the ball in from the 1. The PAT was missed. Defensive guard Willie Rentz sparked the come-from-behind victory when he picked up an Ocala fumble on the five and zipped to score.

Ocala led the whole game and a fantastic defensive effort on the part of Buddy Carrell stifled their last scoring effort as he blocked a field goal in the closing moments of play.

GAINESVILLE—The Canes brought their record to 5-4-1 as they defeated Leon 27-21.

Gathering in the opening kick, the Canes drove 65 yds. for six pts. The Lions fought back to leave the score tied at the end of the first period.

A 70 yd. pass play and a key interception, both good for TD's, raised the Canes to a 21-7 halftime lead.

The Lions drove 77 yds. to pull within 7 pts. of GHS in the second half.

Gainesville, taking the ball on their own 40, scored their final tally.

In the closing seconds of the game Leon scored again, all to no avail as the Canes remained victorious in the final game of the season.

Over 100 competitors at the JV level gave the coaching staff visions of future victories on the varsity level as these boys developed ability, speed, and power through practice and field action.

Led by Kim Christiansen, John Kidwell, and Nathaniel Williams, the White team earned the first place title in JV competition for the second straight year. Gaining second place honors was the Purple team, leaving the Gold team with third place. Coaches Hatch, Goldsmith, and Roberts trained the White, Purple, and Gold teams. This year the teams scrimmaged among themselves and also traveled to outlying areas to compete with other junior varsities. Hawthorne, Newberry, and Santa Fe were defeated by each team as the baby Canes began to show the traditional "Hurricane spirit."

16-6 Overall Record

1966-67 — This was a highly successful year for basketball at GHS with a 16-6 record. Coach Garnie Hatch began practice in September, submitting to his team six goals to strive for during the season.

Cagers early smashed area opponents, P. K. Yonge and Santa Fe, and then went on to defeat Englewood. The first loss of the season went to a rough squad of Ocala Wildcats.

The Canes traveled to Jacksonville for the Fletcher Holiday Tournament, dropping the opening game to Fletcher, but they bounced back the following night. Defeating the Englewood Rams, the Canes brought home the Tournament Consolation Trophy. Early in 1967, the team racked up three straight victories over Seabreeze, Paxon, and Englewood.

Unexpected losses to Evans and Mainland placed the Cane record at 7-4 by mid-season play. Victories were recorded as Forrest and Wolfson both fell to the Canes. A powerful Cocoa squad forced the Canes to drop one, but they came back to win over Palatka, Seabreeze, Leesburg, and Forrest. Then came the cries, "All the way to State!" Staunch supporters crowded the home gym and followed the cagers on the road. The student body had high hopes of winning a first State Championship for GHS but the district tournament ended in a disappointing over-time loss. Still, GHS students chanted "Those Canes are really GREAT."

Canes Began Season

P.K. YONGE: The Hurricanes started with a bang by defeating PKY in the season opener. After overcoming a brief span of opening game jitters, Hartman and Strickland knocked the bottom out of the basket by scoring 24 points and 16 points respectively. Gainesville pulled to a convincing 35-17 half-time lead. A tremendous offensive onslaught followed in the second half as the game ended 79-39.

SANTE FE: Hartman, scoring 19 points, Smith scoring 18 points, Strickland with 16 points, and Mc-Ashan with 11 led a balanced attack of four men in double figures. This was more than enough to put the icing on their second win, as Gainesville left the Rebels windless after the 76-42 onslaught. The victory brought the record to 2-0.

with Winning Streak

ENGLEWOOD: Gainesville Hurricanes were successful on the first away-from-home encounter as they continued winning to chalk up their third win of the season over the Englewood Rams. Paced by Strickland and McAshan with 14 and 13 points respectively, the Canes led throughout the game, and broke the scoring open in the final quarter with 13 points for a 49-35 victory.

OCALA: A game filled with rivalry and excitement ended in disappointment as GHS faced Ocala. Jerry Smith, Frank Hartman, and Andy Strickland paced the Canes with 19, 18, and 17 points respectively in a losing effort as Gainesville dropped its first game of the season to a fired-up Wildcat quintet. As the final buzzer sounded the Canes were seven points down, and the score 72-75.

Hurricanes Had Ups and Downs for Count

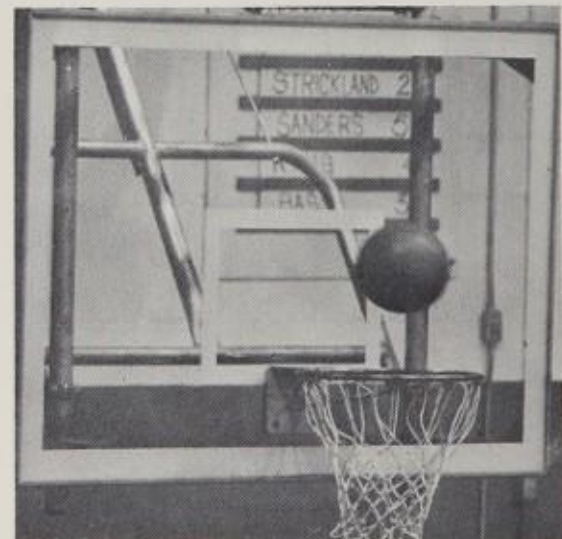

FLETCHER: The Canes dropped their opening game of the Fletcher Holiday Classic to Fletcher. It was a close fought battle all the way, and after a sloppy first half, GHS fought to within two points of the Senators in the final tally with a score of 42-40.

ENGLEWOOD: GHS racked up a victory over Englewood to come home with the Fletcher Tournament Consolation Trophy. Scoring in the first half was due to large point outputs by Strickland and Hartman. Reserves saw fourth quarter action and ended the game with a score of 55-43.

SEABREEZE: Cagers performed superbly to lead GHS to a 65-58 win. After taking an early lead, the Canes had to fight to keep it, but regained the point advantage in the second half and went on to take the game.

PAXON: The Canes took an early lead on home court to defeat Paxon 63-50. By shooting out of the Paxon zone defense, GHS bombed in points. Gainesville kept the lead the entire

FORREST — The Canes notched their eighth victory as they rolled over annual rival Forrest Rebels of Jacksonville. Gainesville jumped off to a six point lead as a stiff man-to-man defense stunned Forrest High. The Hurricanes refused to let up the pressure in a contest that was never close. The bench was cleared as a total of 9 men succeeded in scoring for the Canes. The game ended with the Canes on top, 59-37.

Record Stood at 9-4

WOLFSON — The Hurricanes chalked up their ninth victory as they rambled almost unmolested for 65 points, clobbering Jax Wolfson in the process. A tough defense held Wolfson to 16 points in the first half, while the Canes offense led by the terrific trio of Hartman, McAshan and Strickland, pumped in 27 points. The final period ended in a flurry of scoring as GHS pulled out another win, 65-47.

COCOA — Led by Frank Hartman, the Canes dropped a hard-fought battle to perennial state power-house Cocoa. The half time score found the Canes three points down, but GHS fought on even terms with the Tigers to match Cocoa's scoring of 12 points in the third quarter. The fourth period kept all fans in suspense as Hartman tied the game twice with less than two minutes remaining, but fouls in the last few seconds left the final score Cocoa 42, Gainesville 40.

EDGEWATER — A strong start found the Canes with a 19-8 lead in the first quarter of play. Dean Bass, sophomore starter, and Frank Hartman led the Canes in a defensive dem-

onstration as GHS used man-to-man defense to hold the Eagles. Although playing under a height disadvantage, the Canes took control of both boards with superior rebounding. The reserve team took over the court in the last quarter to finish off the win 69-34.

MAINLAND — Canes survived the test as they hung on to victory, scoring 9 points, all on free throws, in the fourth quarter to capture their 11th victory of the season. Paced by Hartman and Strickland, with 18 and 16 points respectively, GHS was able to maintain the margin necessary for victory, as they ended up on top 47-44 to up their seasonal record to a solid 11 wins to five losses.

OCALA — Electrifying Canes finished strong, outscoring the Cats by 14 points in the second half for a 60-45 victory. Paced by the dynamic duo, Strickland and Hartman with 17 and 14 points respectively, GHS shocked Ocala with magnificent floor play, picking up loose balls, stealing numerous Ocala passes, and clearing the boards offensively and defensively for a much-sought-after victory.

"Hey, get outta my way! yells Frank Hartman to Mainland defense.

Cagers Wound Up with 7 Victories

SEABREEZE — An early start for the Canes put GHS up for a four point lead at the beginning of the first period. Seabreeze fought back, raising the score to 5-4, but Strickland and Hartman came through with baskets to end the first period 13-11 in favor of the Canes. GHS outscored the Crabs in the second period 17-12 and left for the lockers at the half with a 30-23 margin. The third period found the Canes bombing in the points and clearing the boards. Reserves from the bench saw action early in the fourth quarter. Still the Canes applied the pressure and outscored the Crabs 27-25, for a final score of 73-54.

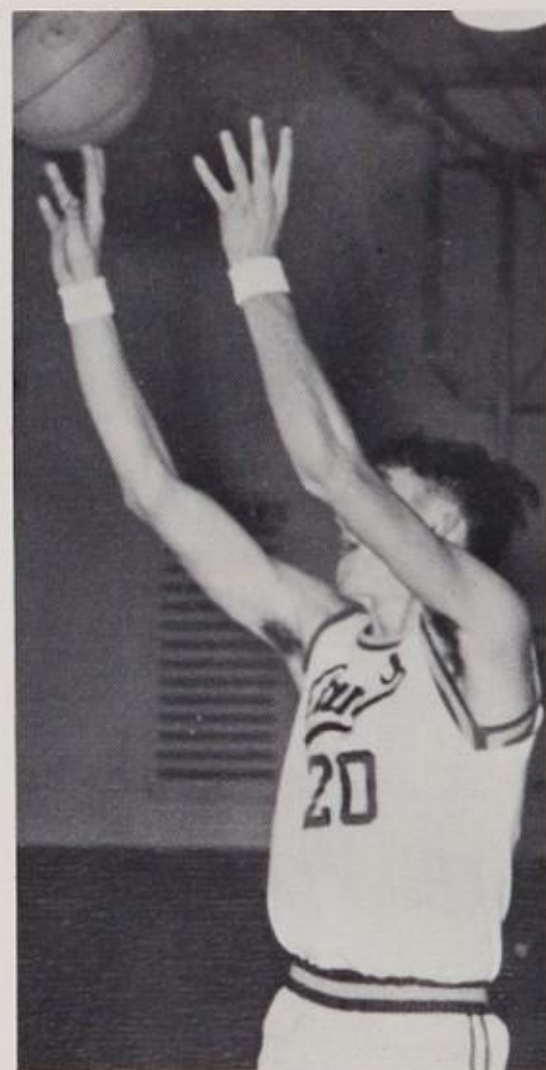

LEESBURG — The Canes pulled out a squeaker, 50-43, as they overcame a determined Yellowjacket quintet which clung to the lead for three complete quarters of play until GHS staged a victorious comeback. The Canes found the winning form, as they hit 10 of 11 free throws in the final quarter to place three men — Hartman, Strickland, and McAshan — in double figures. All three had 13 points in the winning effort.

PALATKA — GHS trounced perennial Class A rival Palatka, 82-48, placing four men in the double figure score column. Due to continuous hot outside shooting by the Canes, GHS completely dominated the game. Andy Strickland took top honors with 17 points, followed by Frank Hartman and Eddie McAshan with 16 each, and Jack Ryals with 10.

FORREST — A "heads up" defense made up for Hurricane floor mistakes as GHS stuck Forrest with another loss. Gainesville slowly ran up a margin of 13 points in the first half. Scoring was headed by Harman with 17 points, and McAshan with 14. During the second half, the Canes hit half their attempts from the floor and closed the game with a 66-41 win over Forrest.

GHS Lost to Ocala

DISTRICT TOURNAMENT — Hurricane hopes for "State" were dashed as the Gainesville quintet dropped a close-fought battle to arch-rival, Ocala, in the Group 5AA Tournament opener. The fired-up Wildcats bounced back from a seven game losing streak to knock the Canes out of contention for State Honors.

Gainesville, seeded number one in group competition, started strong with an eight point lead, which was cut in half by the Wildcats as they trailed the Canes by four at close of the quarter 13-9.

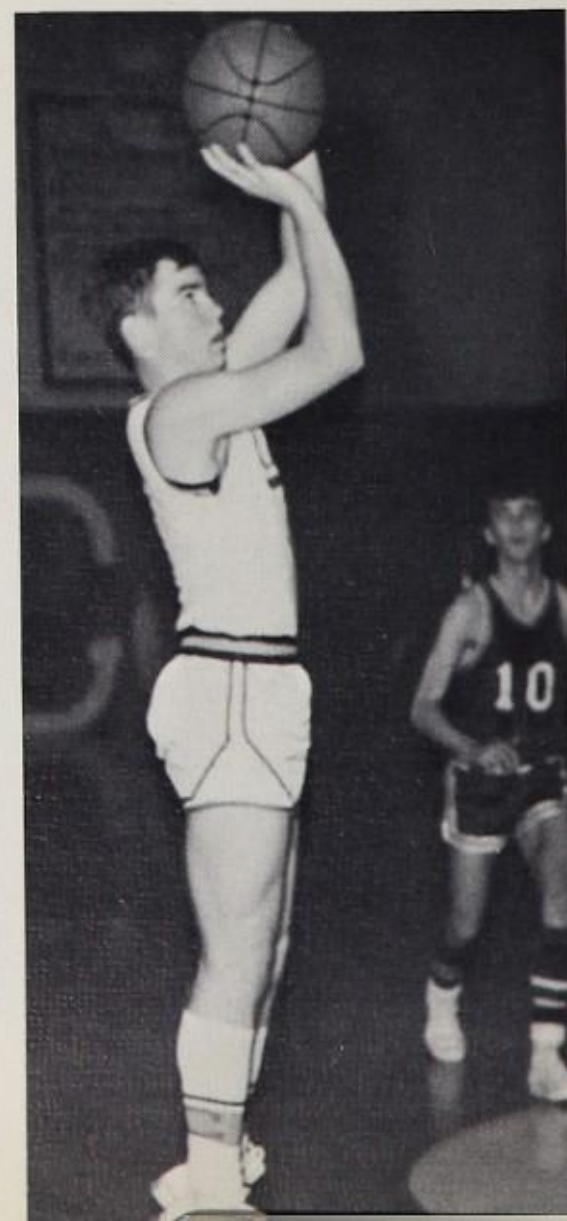

The second quarter was the same close game and, at the half, the Canes left for the locker room one point down.

The Canes put on the pressure in the second half, to outscore the Cats by a margin of 12-9 at the quarter's end. A "freeze" by the Canes with one minute twenty seconds left ended the ball game at a 51-51 tie. The three-minute suspense filled overtime brought disappointment as fouls on the Ocala team placed the score at 57-53, wiping out a chance at the State Championship.

Junior Varsity Basketball

All-Sophomore Team Gained 16-3 Record

Under a new policy instigated by head basketball coach Garnie Hatch, an all sophomore Baby Hurricane Basketball team improved on last year to gain a 16-3 record. They sustained losses to powerhouses Seabreeze, Mainland, and Cocoa. A balanced attack was the key to victory as these boys gained valuable experience for next year's varsity play. Coach Joe Fielding from Howard Bishop Junior High School, made his debut in fine fashion as he guided the Canes through a tough schedule.

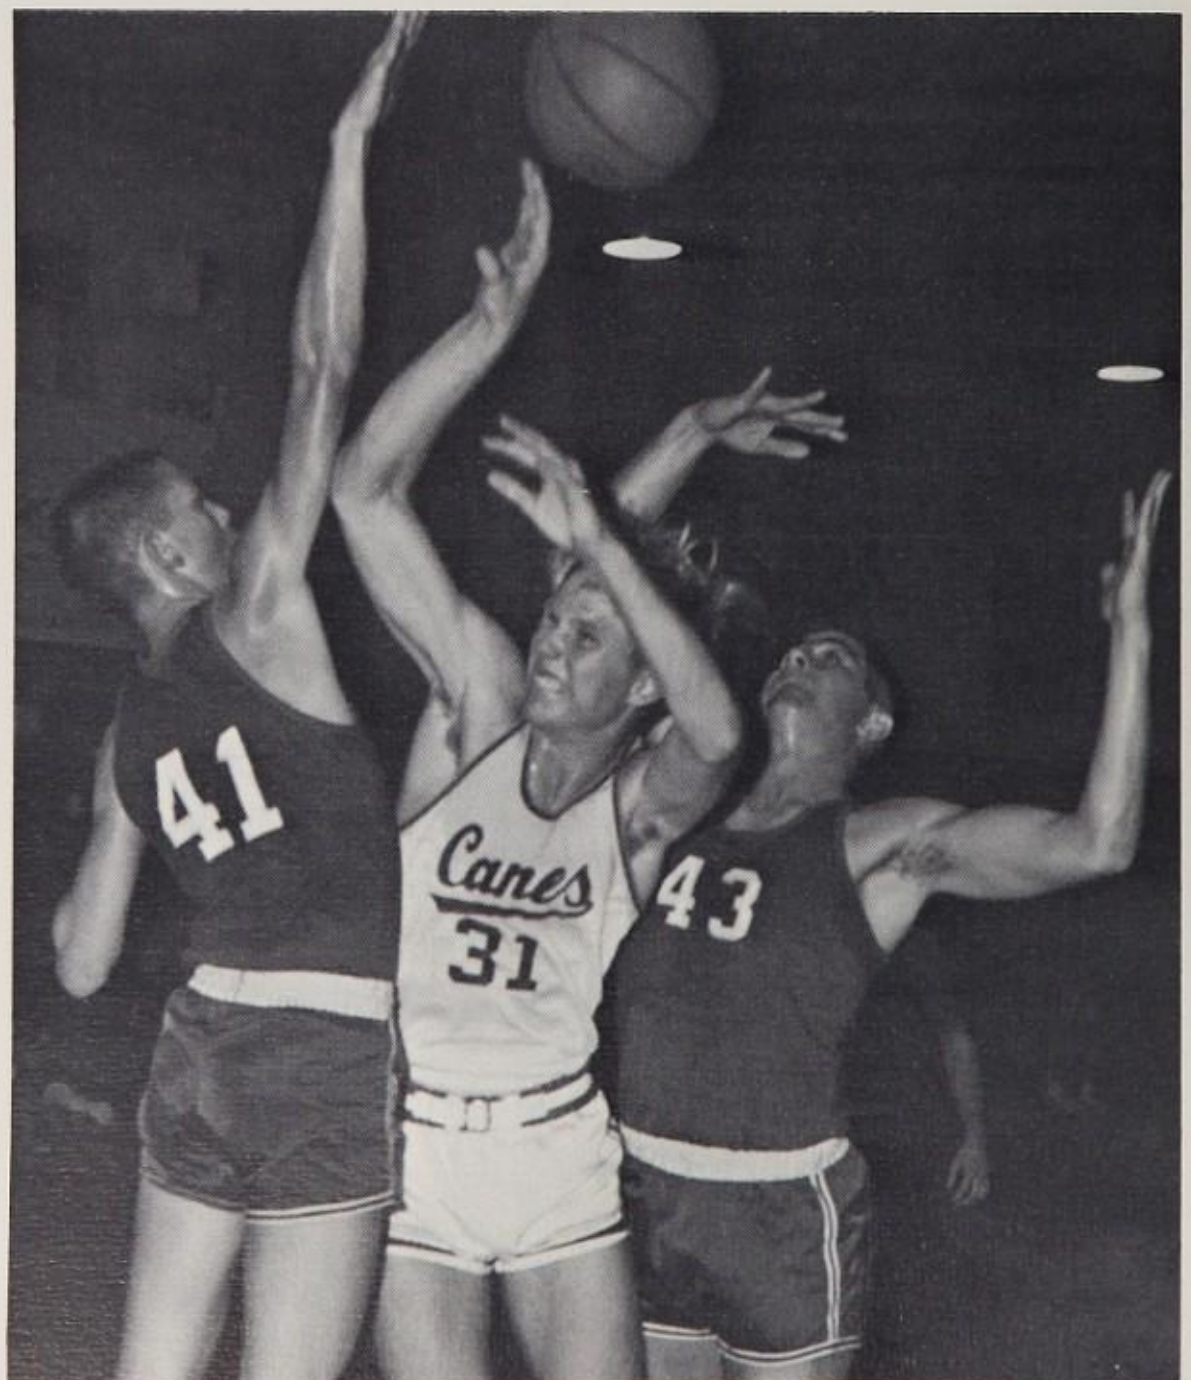

Juddy Carter, Jimmy Roundtree, Todd Rainesburger, Johnny Dulaney, Jimmy Niblack, Ruddy Dixon, and Carl Holland formed a seven man starting line-up that fulfilled great expectations to capture win after win.

Sports Honors

Athletes Gained Honors and Recognition

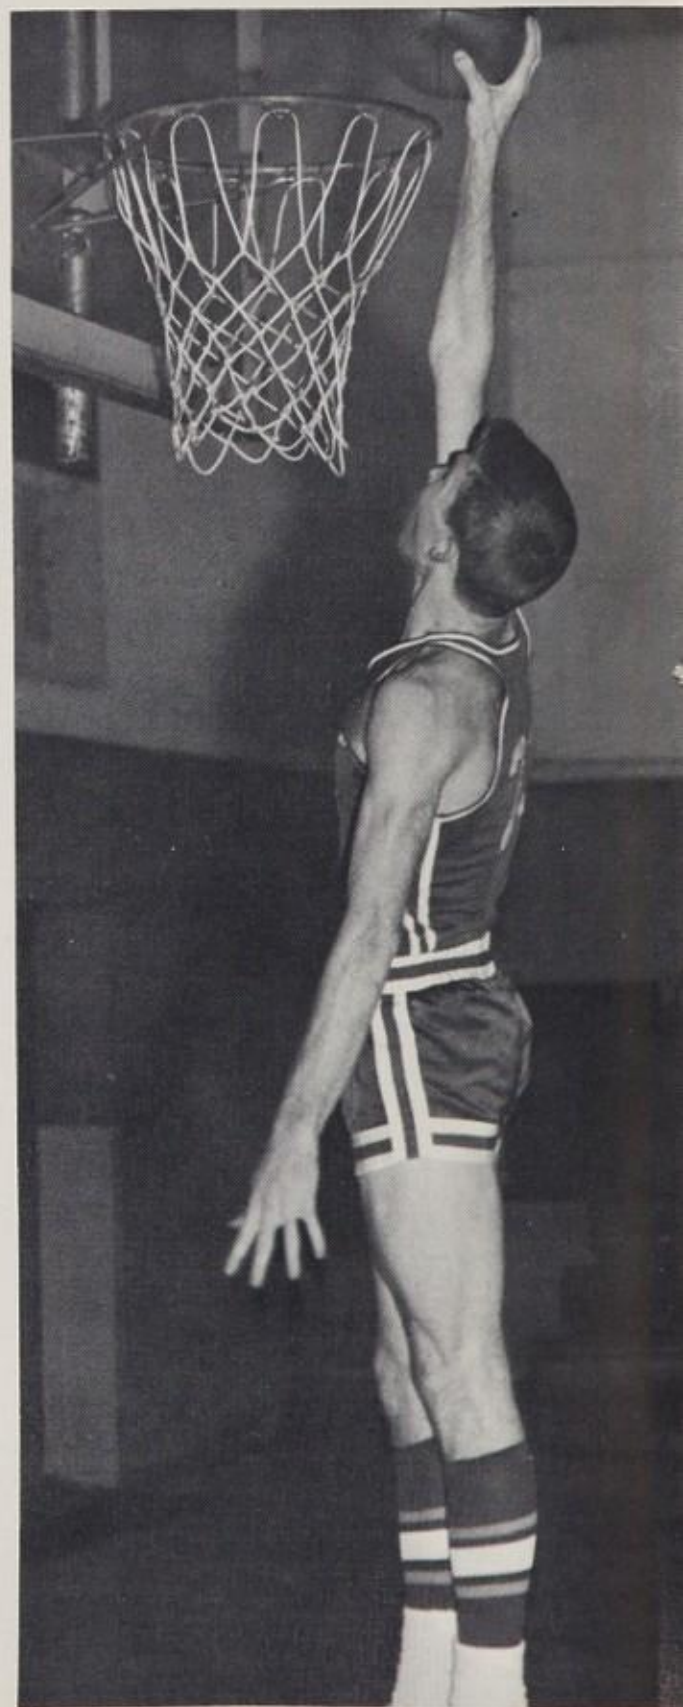

Victories are won by team work, but certain athletes merit recognition for individual effort and talent.

Honored for his accomplishments in football this year, John Wayne Jackson was named to All-Star, All-Area, and All-Regional teams. He was also named to the second All-State team.

Other Canes named to the All-Area team were Laurie Vidal, Tommy Hanssen, and LaRue Lackey.

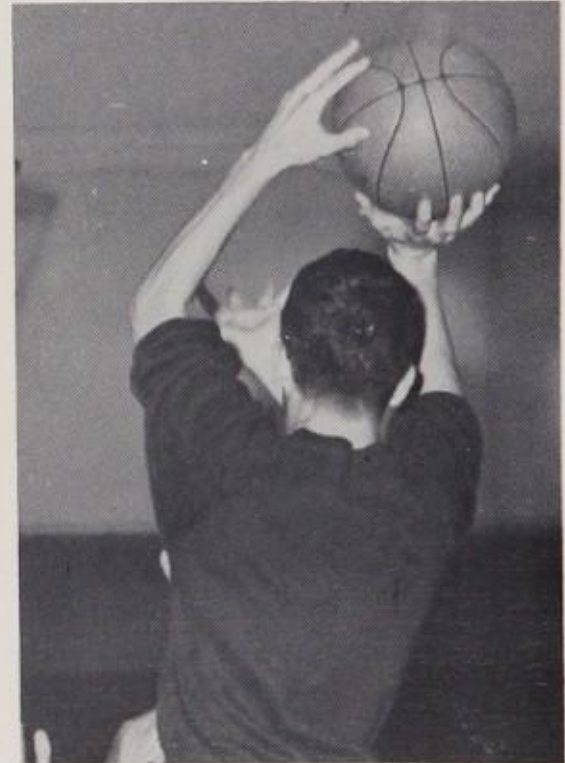

Basketball Co-captains, Frank

Hartman and Andy Strickland — "Mr. Inside and Mr. Outside" — led the Canes to an outstanding 16-6 seasonal record. Hartman amassed a total of 398 points during the season. He was selected to play in the district All Star game. Strickland averaged 13 points per game. Both earned first Team All-Area honors, and Frank Hartman was named the outstanding basketball player in the area which encompasses over 20 teams.

Intramurals, headed by vice-president Cissy Roundtree, and faculty sponsor Mr. Al Strickland, brought about new interests as service clubs and independent organizations fought for much sought after first-place honors in '67 inter-squad competition.

Excitement prevailed when intramurals assisted the scholarship drive in a fun-filled game when CBE, clad in bikinis, took on Gamma. Key Club challenged the faculty, and Alpha and Keyettes met in their annual clash.

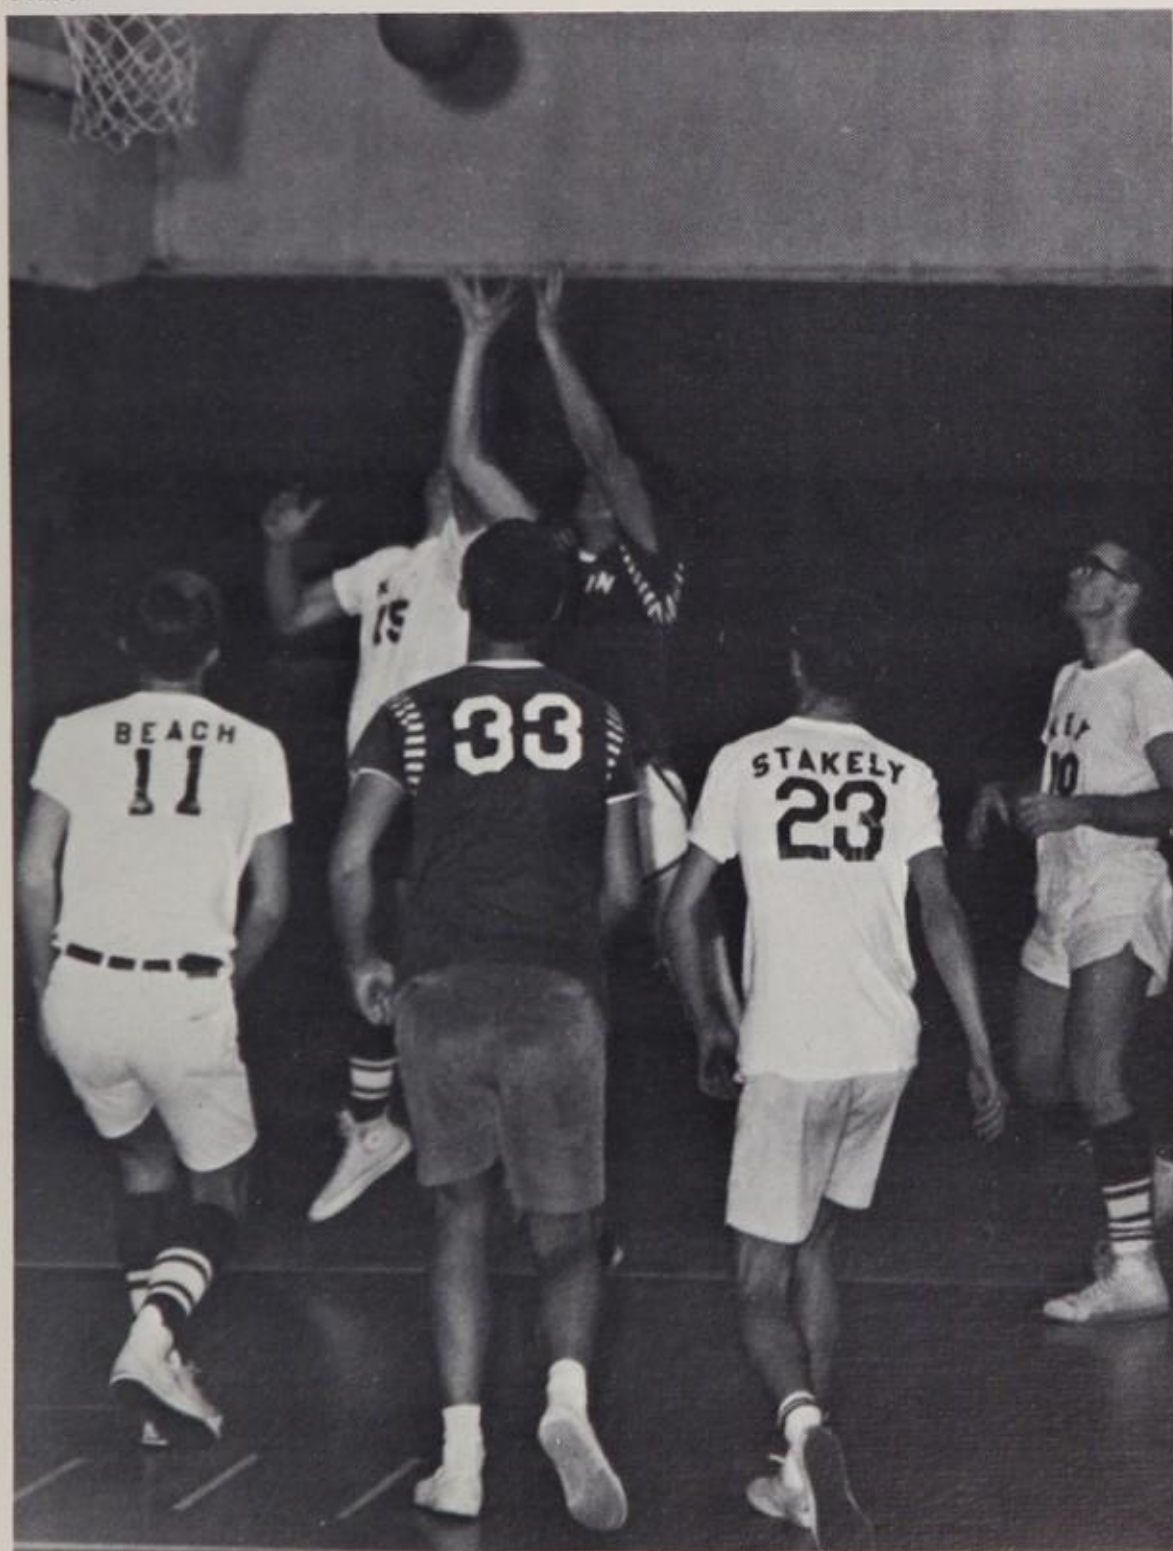

Friendly rivalry kept action at top speed as games frequently went into overtime play. The season ended in championship games between Gamma and G-Club and Alpha and Keyettes.

Encouraged GHS Spirit

Expounding, exploding, alive with Hurricane spirit, the Gainesville High cheerleaders instilled pride and pep in all students, as this year school spirit climbed to new heights.

These nine girls spent hours on money-making projects, working as carhops at Frisch's, having a bake sale, washing cars, and sponsoring the annual "Back To School" dance. These combined profits enabled the girls to follow the teams to the many out-of-town games and tournaments.

To bolster spirit away from home, they sponsored a pep bus to Greenwood, S.C., 365 miles away. Pep rallies were often spiced with cheerleader stunts and skits, and cheering on tables became a necessary routine.

The cheerleaders have rated "superior" with opposing cohorts by inviting them to dinner before the game and encouraging good sportsmanship among visiting teams.

Junior Varsity cheerleaders spent a year learning through experience. They followed their teams, as the Purple, White, and Gold squads began playing out-of-town games in addition to their inter - squad scrimmages. The girls encouraged their teams to strive for victory.

Susan Hazen, injured varsity cheerleader, served as sponsor for most of the year. The girls participated in all varsity projects, and worked on some of their own. Decorating the goalposts, raising the American flag at home games, and handing out programs at pep rallies were their chores.

At National Cheerleading Clinic, all three squads rated excellent. New uniforms were purchased this year, introducing a new gold cheerleading outfit at GHS.

Homecoming brought thrills to the girls. For the first time they cheered in front of the entire student body. They participated in Storm Warning, cheered at the game, and were invited to the pre-game dinner. Three cars filled with vivacious JV's contributed spirit to the Homecoming Parade.

With only four team members running, GHS harriers took 12th in a field of 40 teams in the state-wide cross-country meet in Ft. Lauderdale November 19. Individual runners placed high — 22, 36, 53, and 66 — against a total of 240. However, substitution of a non-practiced runner to make the team total raised the team's score.

The season began with unofficial meets against Paxon and Eau Gallie in which Stanely Backus placed 3rd and 5th. In the second meet, Roger Backus was 7th, Mike Godey was 8th and Emery Swaringen was 9th.

Running a 2-mile course against Starke, Stanely copped a first with 10:10; Roger a second with 10:13:5 and Mike a third with 10:18.

Spring Sports

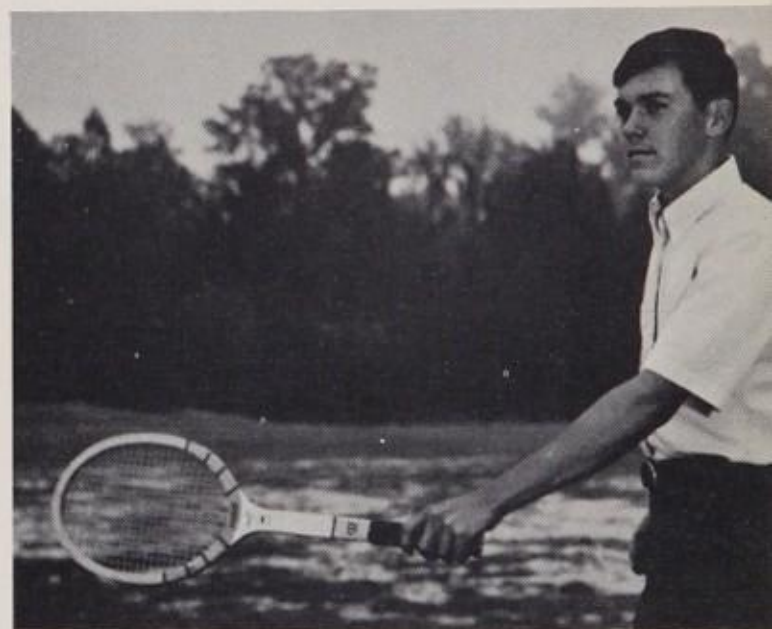

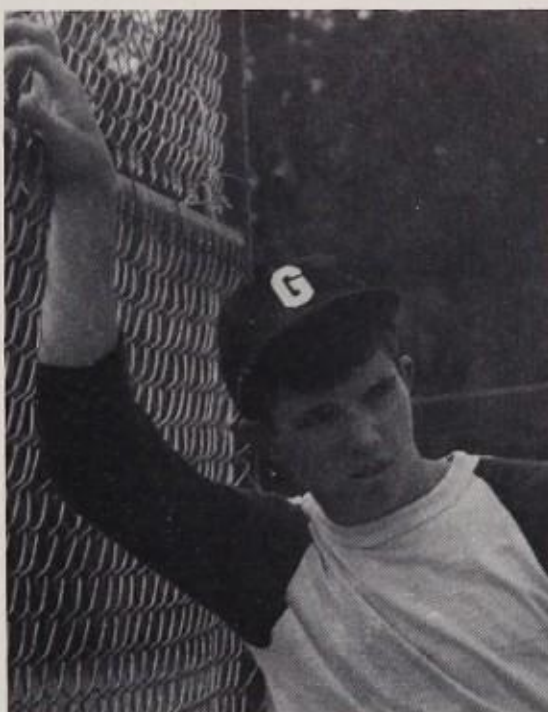

Practice Began Early for Season Teams

Even before the budding trees and blossoming shrubs — the harbingers of spring each year — sports teams were on the diamond, the cinder track, the first tee, the courts, and in the water.

Lack of school facilities forced athletes and coaches to spread out over the community for practice areas. Golfers teed off at the Country Club; the track team was at the Univ. of Fla. Swimmers used Howard Johnson's pool and the tennis team played on courts at North Westwood Park.

Individual and team records in swimming, baseball, and track were made and spring sports became more popular than ever before.

An experienced Gainesville High Track team, paced by returning junior and senior lettermen, looked to competition with high hopes of victory. Practice, begun in late December, and constant drilling trained and improved the boys into readiness for competition. Hurdles, sprinters, shot putters, and high jump men, all developed into cindermen, striving to set new records for individual and team glory.

for Excellent Record

The GHS Golf Team came on strong in '67, making a determined bid to better last year's excellent record. Led by the single returning letterman, Ricky Stevens, an otherwise all rookie team ground out an impressive record, with high hopes for state honors. Daily practice sessions at the Gainesville Country Club lowered those all-important score cards and provided opportunity for inter-squad competition.

Coach Jones devised a unique method of selecting a new first man for each match to encourage individual impetus. A great team carried on the GHS athletic tradition under the leadership of Coach Jack Jones.

Hurricane swimmers showed great desire as they braved the cold north winds, with high hopes of setting school and individual records. With the use of Howard Johnson's pool, the Canes divided into two groups due to space limitations. The four men medley team composed of Robert Scott, John Scafuti, Jimmy Perkins, and Bice Hope won fourth place in the Southeastern conference meet. Baseball

Cane Nine Sparkled to End a Great Year

Hurricane baseball boys embarked upon a new season with high hopes of an undefeated state champion team. Highly regarded diamond men, with the assistance of a new back-stop and a new batting cage, gained valuable game experience in pre-games with the University of Florida Freshmen, in which the Canes sustained their first victory over the Frosh, behind a three hitter by Larry Sheffield.

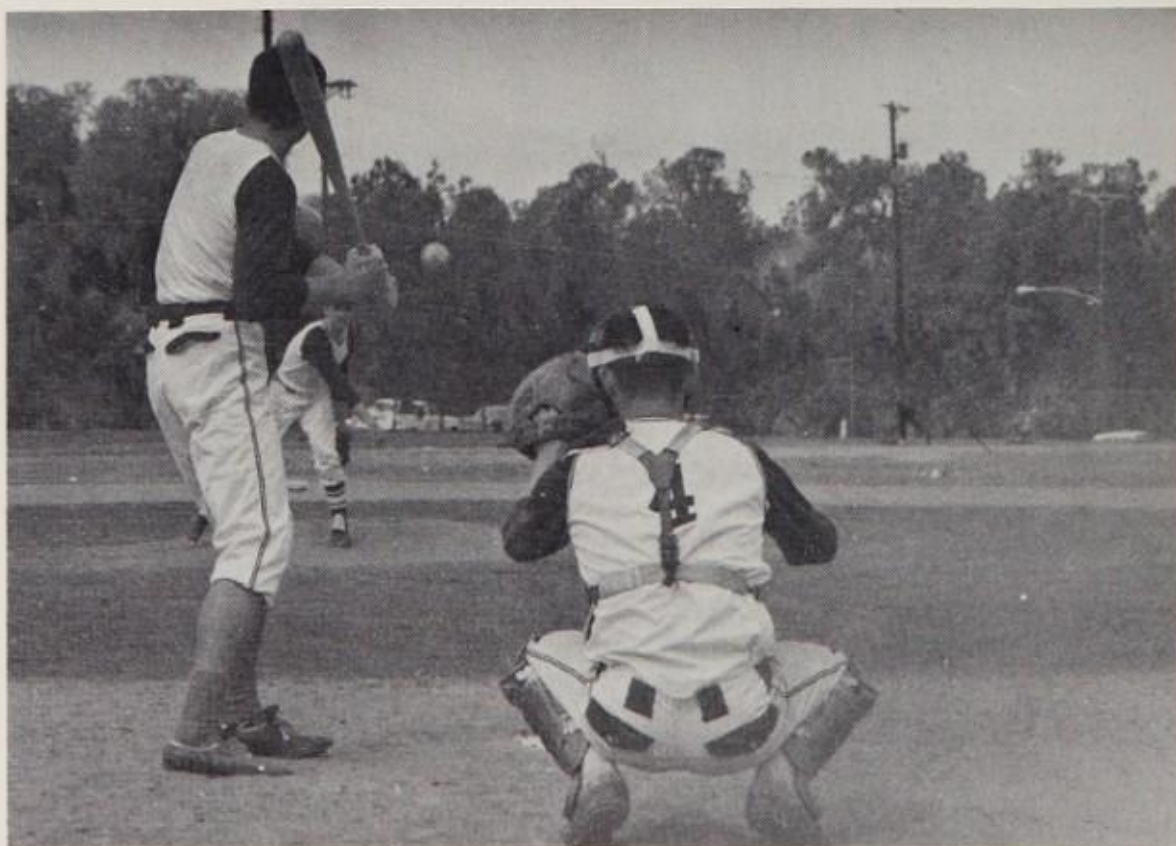

Coach Wesley Dicks, beginning his fifth year as head baseball mentor, boasted seven returning lettermen in Larry Sheffield, Allan Spear, Bob Brackin, Kirby Green, Dale Davis, Len Fuller, and Allen Reeves.

CITIZENS

Gainesville has become one of Florida's finest cities. Located in the center of the South's fastest growing state, the "University City" had much to offer in 1967 to students and citizens.

Gainesville merchants purchased advertisements in our school publications. They gave our students opportunities to earn money and to experience the adult world. In addition, they donated materials for many school activities.

The students of GHS played a large part in the community's growing economy. They purchased 60% of all records sold, 55% of all radios, 80% of all fountain pens, and 40% of all jewelry. Realizing their important role in Gainesville's growth, GHS students strove to prepare themselves to take over in an adult society.

The **CITIZENS BANK**, one of Gainesville's newest and largest banks, has completely modernized facilities to help serve you more quickly and efficiently. If you're getting ready to open an account, think first of the **CITIZENS BANK**.

With just a little help at first from Steve Summerlin, Cissy Roundtree finds that driving a boat is as easy as can be, especially if it is a boat from **GATOR MARINE**. For summer fun on the water, stop in at 1221 East University Avenue.

Bill Wilkinson, **WGGG** "disc jockey" broadcasts the following message: "Listen to **WGGG RADIO STATION**, 1230 on your dial, for the finest in sweet, swinging music."

Adhering to the adage, "Save for a rainy day," Jan Barger deposits regularly to her account at **FIRST FEDERAL**, 249 W. Univ. Ave. and 516 NW 13.

If your physical fitness is below par, why not try exercising on equipment from **GULF HARDWARE**, located in the Gainesville Shopping Center? Carol Hanes and Richard Reeves show how easy it is to get into the habit of daily exercise. It's time to shape up with specialized equipment from the complete hardware store, **GULF HARDWARE**.

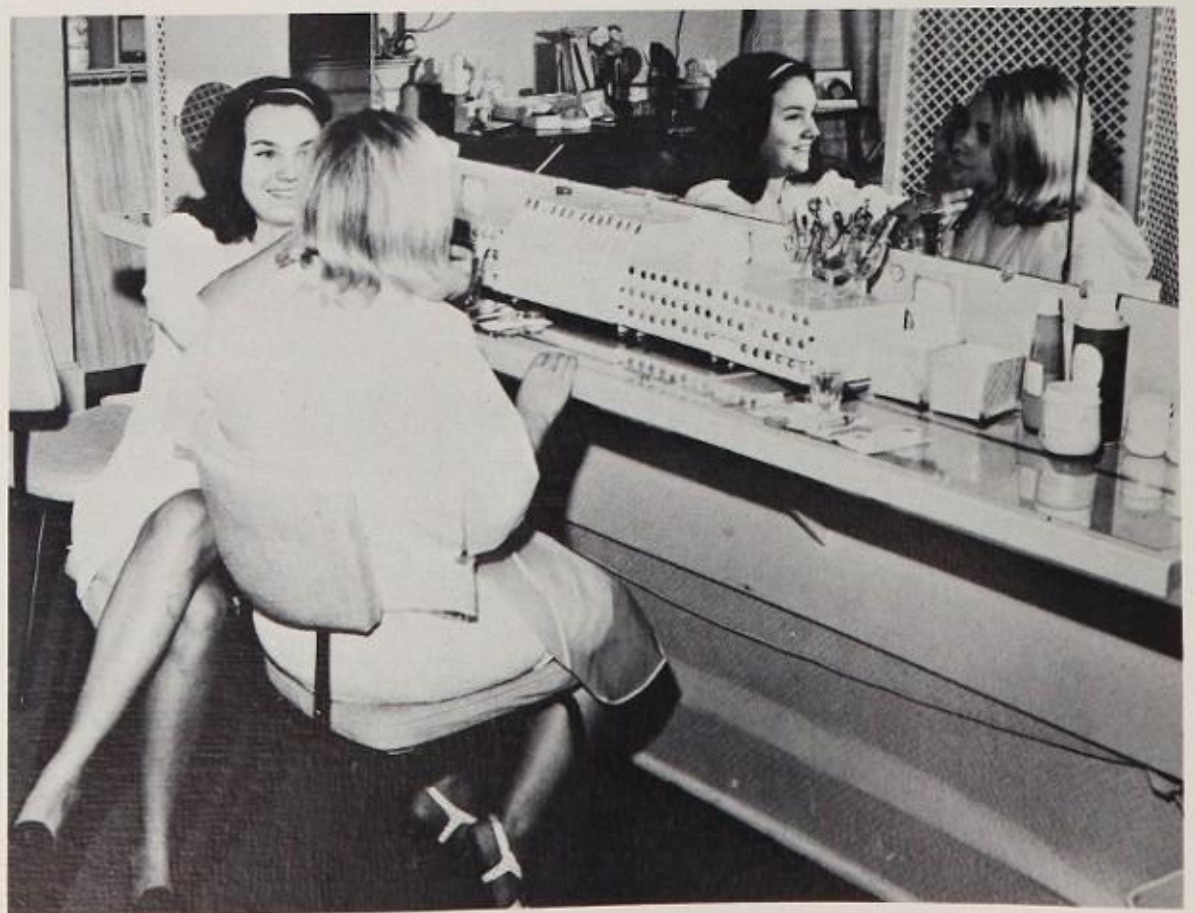

Pat Goethe knows that one of the most enjoyable moments in a girl's life is picking out her china. For fine quality and a large selection of dishware and silver, look in at **MARY TURNER'S**, 2325 S.W. 13th St.

Got a favorite song that fits your personality? Marcia Cobb knows that whether she wants a goldie-oldie or a top ten tune, she can always find it at the **RECORD BAR**, 923 W. Univ. Ave. Buy all your favorite records and albums from the **RECORD BAR**.

For an expert job of make-up from Gloria Williamson, Donna Sutherland goes to **MERLE NORMAN** to learn perfect beauty procedures. Stop in at 513 W. Univ. Ave. and they will make you lovelier.

With fine quality cameras and lighting equipment, you can always be sure of a product that will suit your taste. **FRANK N. ANDERSON, PHOTOGRAPHER** specializes in making memory portraits in a style that will be recalled throughout the years. Let **ANDERSON'S** take all your photographs at 821 N.W. 13th St.

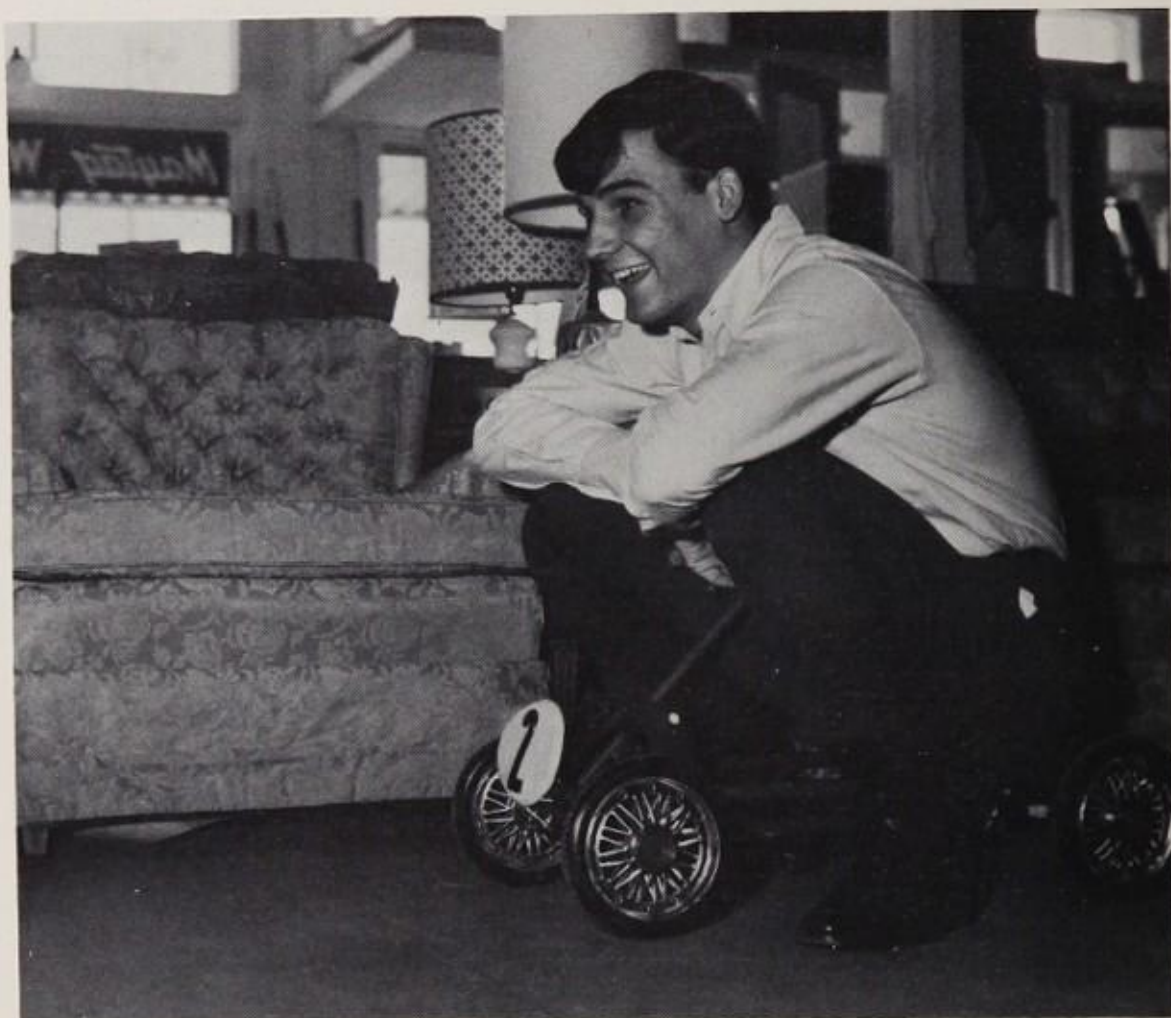

For that portrait that Kay Bourgeois's parents will keep forever on the mantel, special care is taken in the picking of senior drapes and poses. Everyone knows that pictures taken by **FRANK ANDERSON** are so life-like that one can hardly realize it's a picture. Just ask Debbie Taylor and she'll show you how real one can look.

For the best furniture values in town Wayne Pringle races to **GIBBS FURNITURE STORE**, 102 S.W. 1st Ave. Peddling around, Wayne finds that **GIBBS** carries a complete line of Badcock and many other furniture brands. Established in 1904, **GIBBS FURNITURE STORE** is the best place to go for low prices and easy terms.

With Valentine's Day approaching, Len Fuller chooses for his girl a box of mouth-watering chocolates at **GRESHAM DRUG STORE**, 12 W. Univ. Ave. you don't need a holiday to buy your girl candy at **GRESHAM'S**.

If Susan McKinney and Randy Greene only knew how much "finger-lickin' good" chicken comes in a box of **KENTUCKY FRIED CHICKEN**, they wouldn't argue over one drumstick. Why don't you plan a picnic today with **KENTUCKY FRIED CHICKEN** on the menu? You can pick up a box, bucket, or barrel of taste-tempting chicken at three locations: 214 NW 13 St., 207 NE 16 Ave., and 114 SW 34 St.

For that special night of enchantment, Jeff Montgomery and Nancy Mitchell wear ensembles from **BELK LINDSEY** in the Gainesville Shopping Center. Nancy chose her lovely gown from the **REGENCY ROOM** of **BELK'S**. Pam Whitlow greets winter in a sporty outfit by Bobbie Brooks. **BELK'S SPORTSWEAR** has a complete line of coordinate shirts, skirts, and blazers. In the **SHOE DEPARTMENT** of **BELK'S**, Don Wyatt fits John Macdonald in a pair of hushpuppies, the shoe that makes sidewalks softer. For everyday wear and those special fashions, shop at **BELK LINDSEY**.

For the place that's right anytime of the day, Dick Hudson, Pat Smith, Julia Kates, and Larry Brown drive into **STEAK N' SHAKE**, 1610 SW 13th St. If you just want to stay in the car or sit inside, it's possible at **STEAK N' SHAKE**. **STEAK N' SHAKE** — "In sight, it must be right."

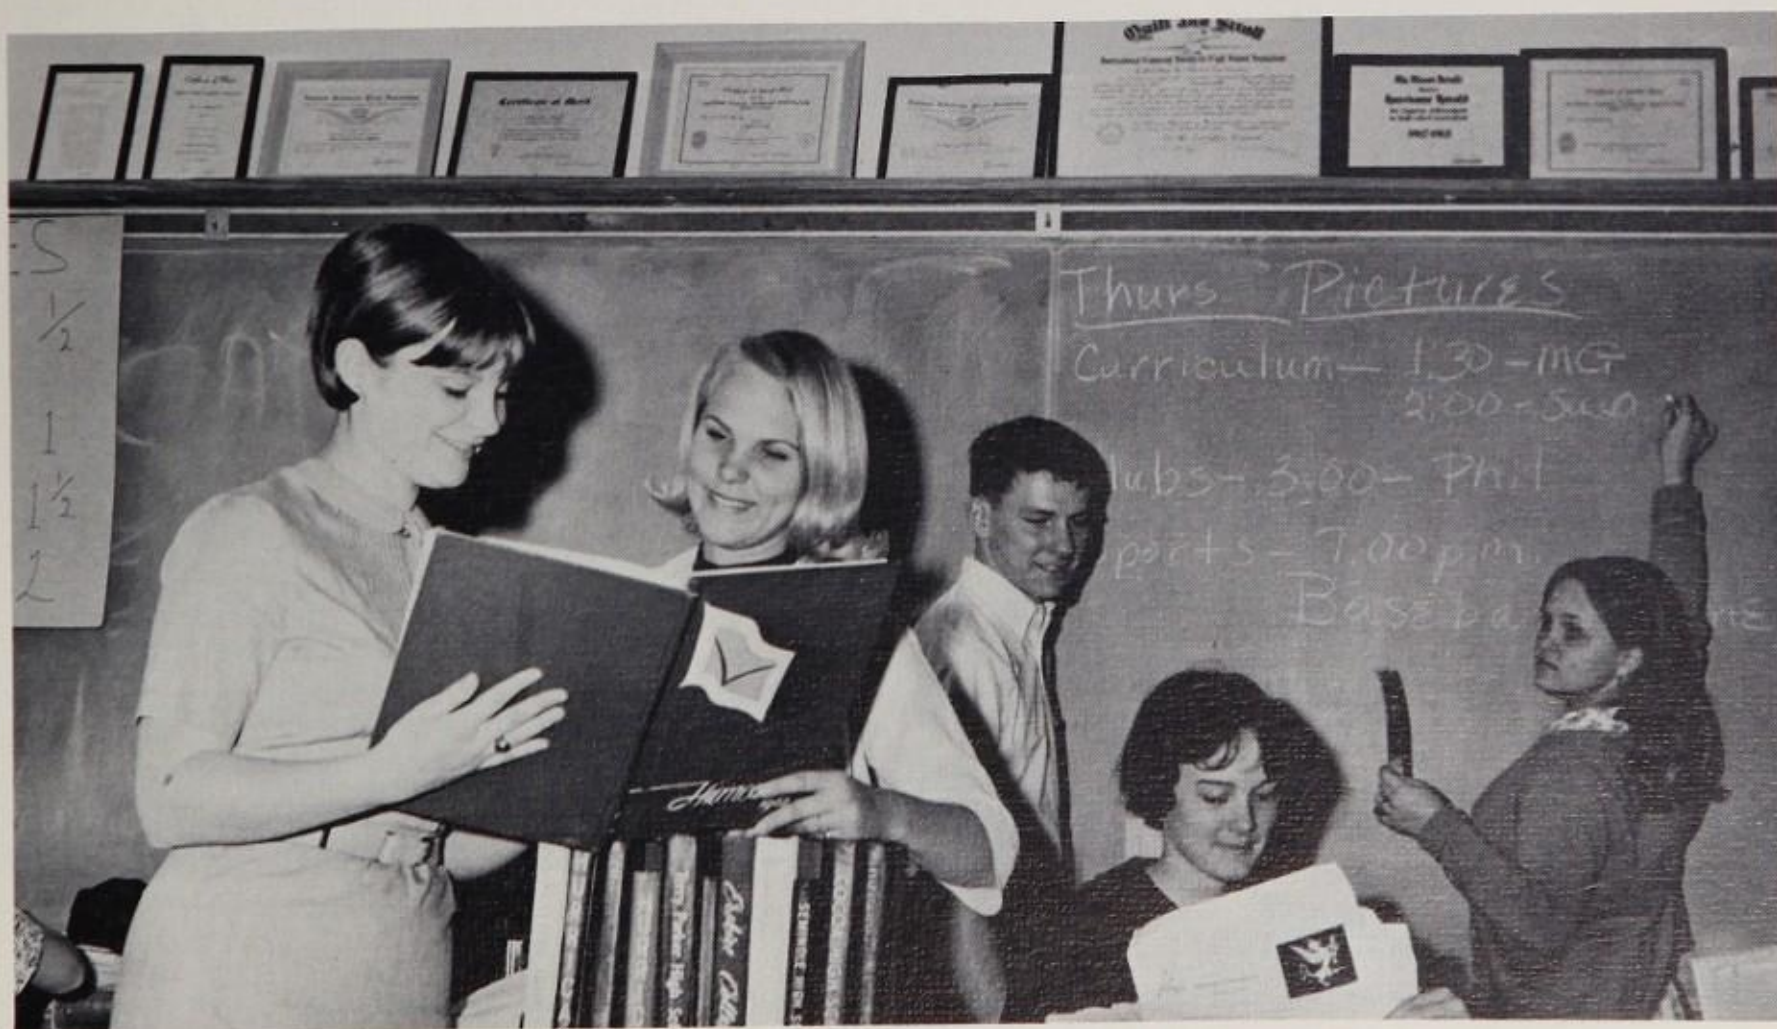

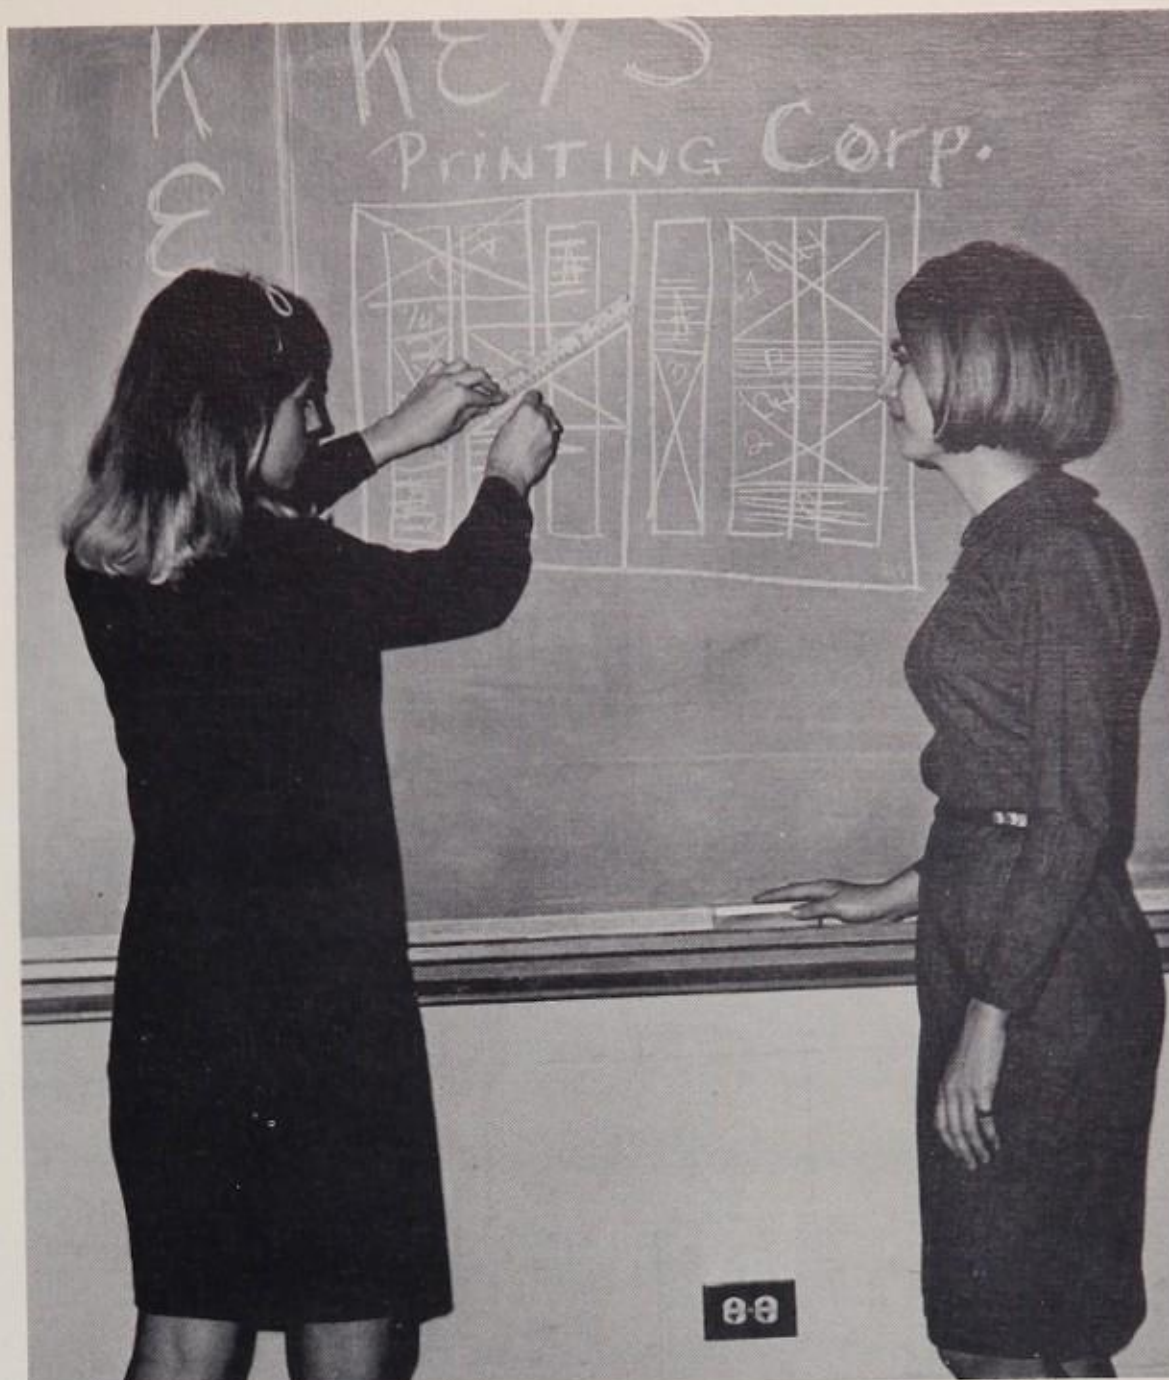

Cobie Middlehoven works behind the counter of tantalizing pasteries at **FEDERAL BAKE SHOP**. For any delight to be proud of, call the **FEDERAL BAKE SHOP** first, located in the Gainesville Shopping Center.

As the Chinese proverb goes, "He who eats at **CANTON**, comes out with happy face on." Robena Eng is all smiles after eating delicious foods in both American and Chinese cuisine at **CANTON RESTAURANT**, 813 W. Univ. Ave.

Yearbooks are important annual reports of a school life, the yearbook provides not only a rich educational opportunity for staff members and memories for all students, but also information for the taxpayer, telling him how his community meets its educational needs.

KEYS PRINTING CORPORATION,
305-313 E. McBee Avenue,
Greenville, South Carolina, employs
skilled craftsmen who utilize
the latest techniques
in graphic arts to produce
superior yearbooks such as the
GHS Hurricane. Yearbook advisers
and staffs who wish to create
yearbooks of the finest quality,
should publish with
KEYS PRINTING CORPORATION.
We did — and we're glad we did!

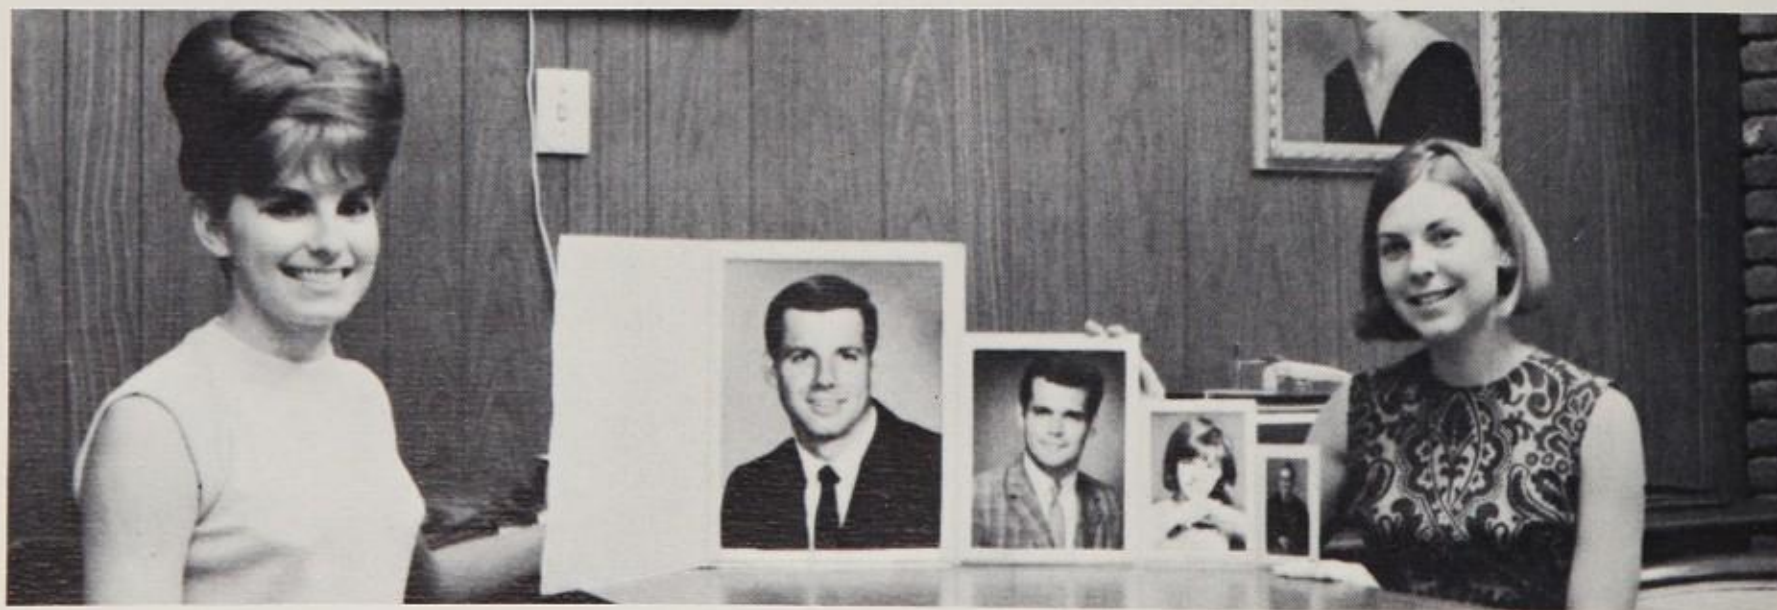

Do you always forget to go to the bank until five minutes before closing time? When you only have five minutes to get there, you don't have time to comb your hair, fix your make-up, and change your clothes. Therefore, you want the convenience of drive-in banking.

Judy Coursey chose the **UNIVERSITY CITY BANK** for its convenient and courteous service. When you decide to open an account, consider the **UNIVERSITY CITY BANK**, 1116 W. Univ. Ave.

Margaret Rogers and Beth Graves admire the many campus fashions just in the new, enlarged **DONIGAN'S**, 1123 West University Avenue. Make a hit at school in a wardrobe selected from a bigger and better **DONIGAN'S**.

Dede McInnis looks over the many sizes of quality photographs at **JOHNSTON PHOTOGRAPHY**, 1642 W. Univ. Ave.

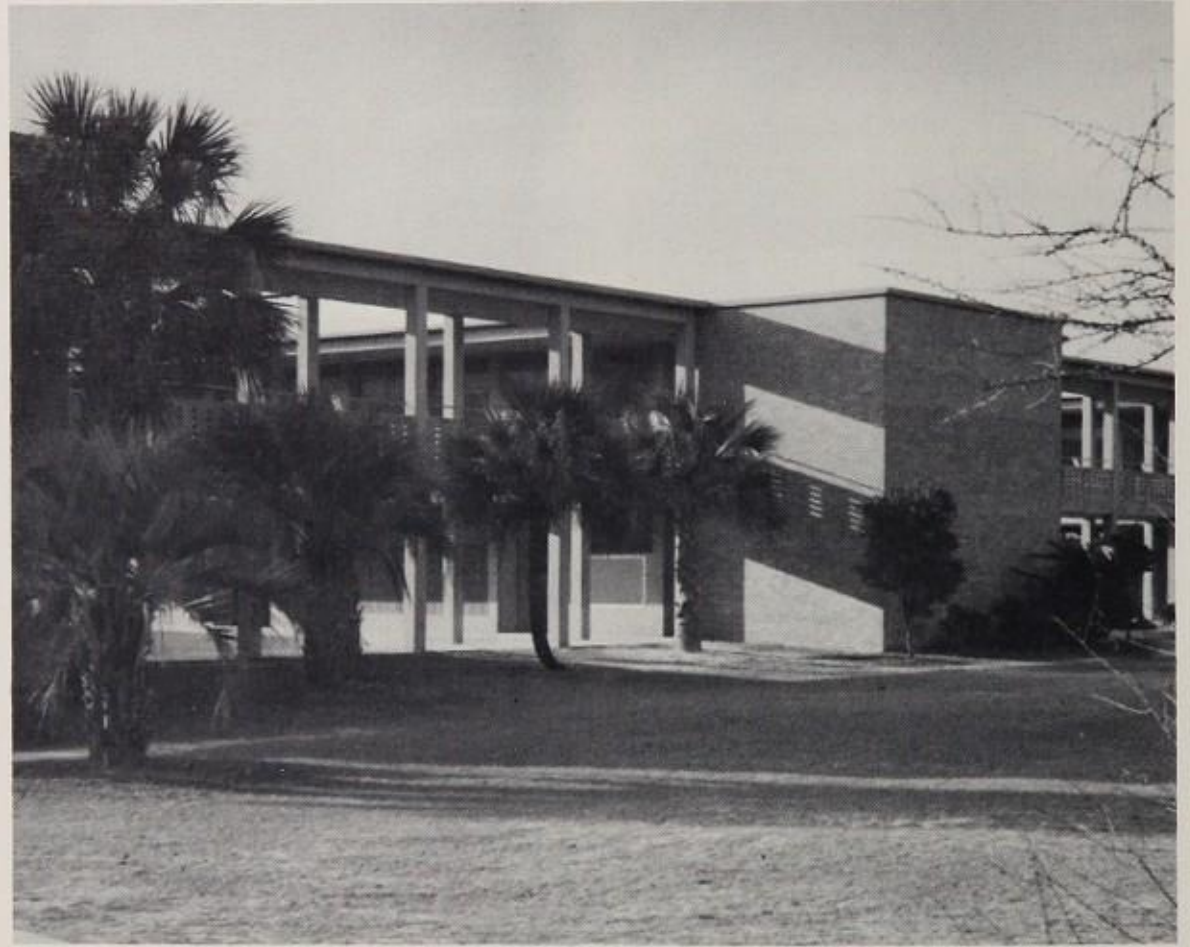

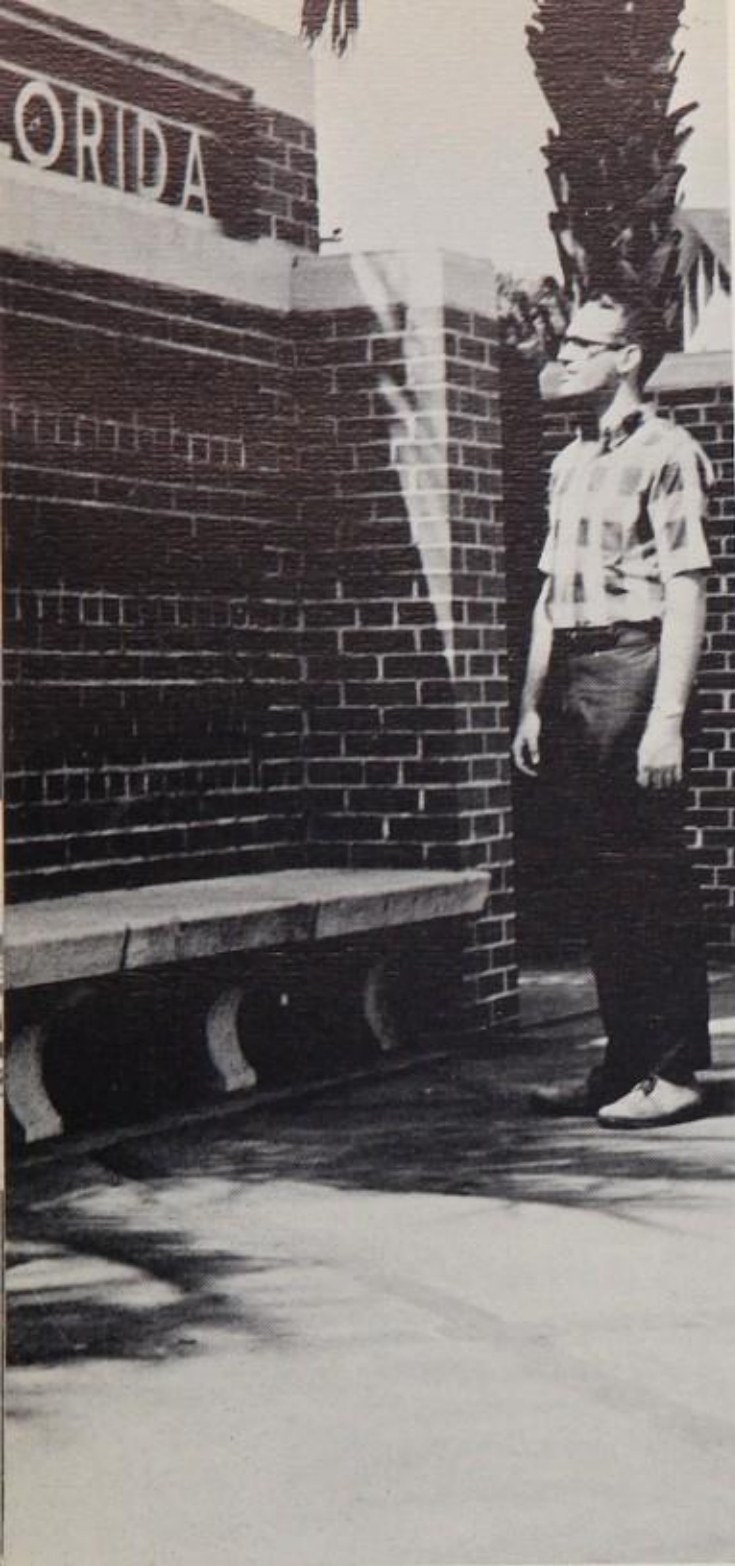

Whether you want a small wallet snapshot, a handsome desk portrait, or a large wall picture, call **JOHNSTON PHOTOGRAPHY** and ask about our large variety of portraiture.

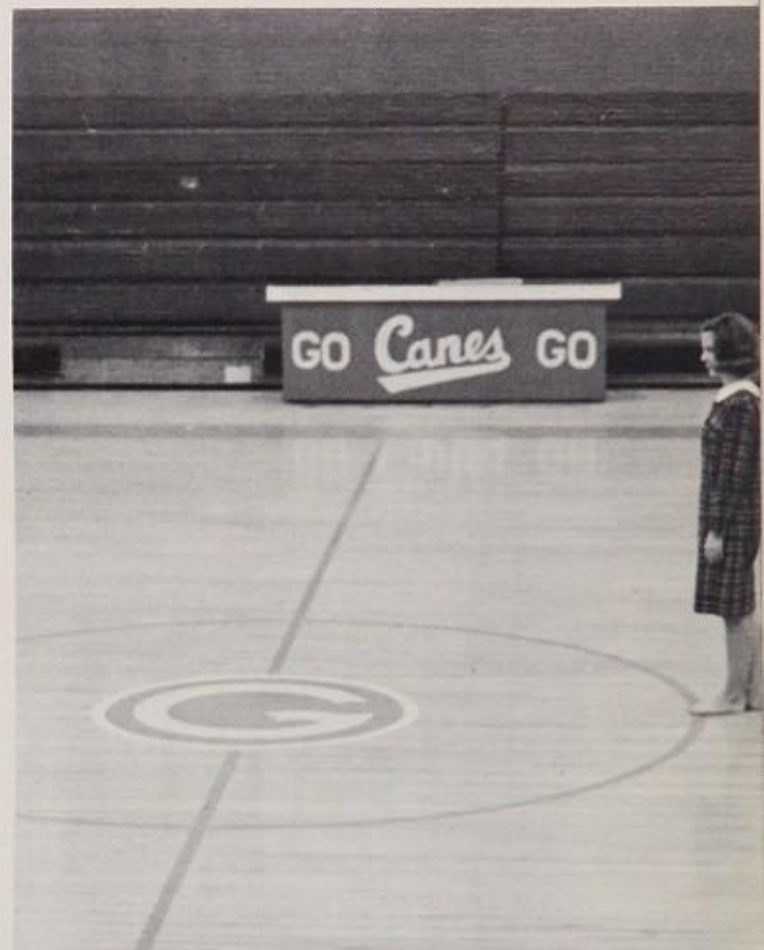

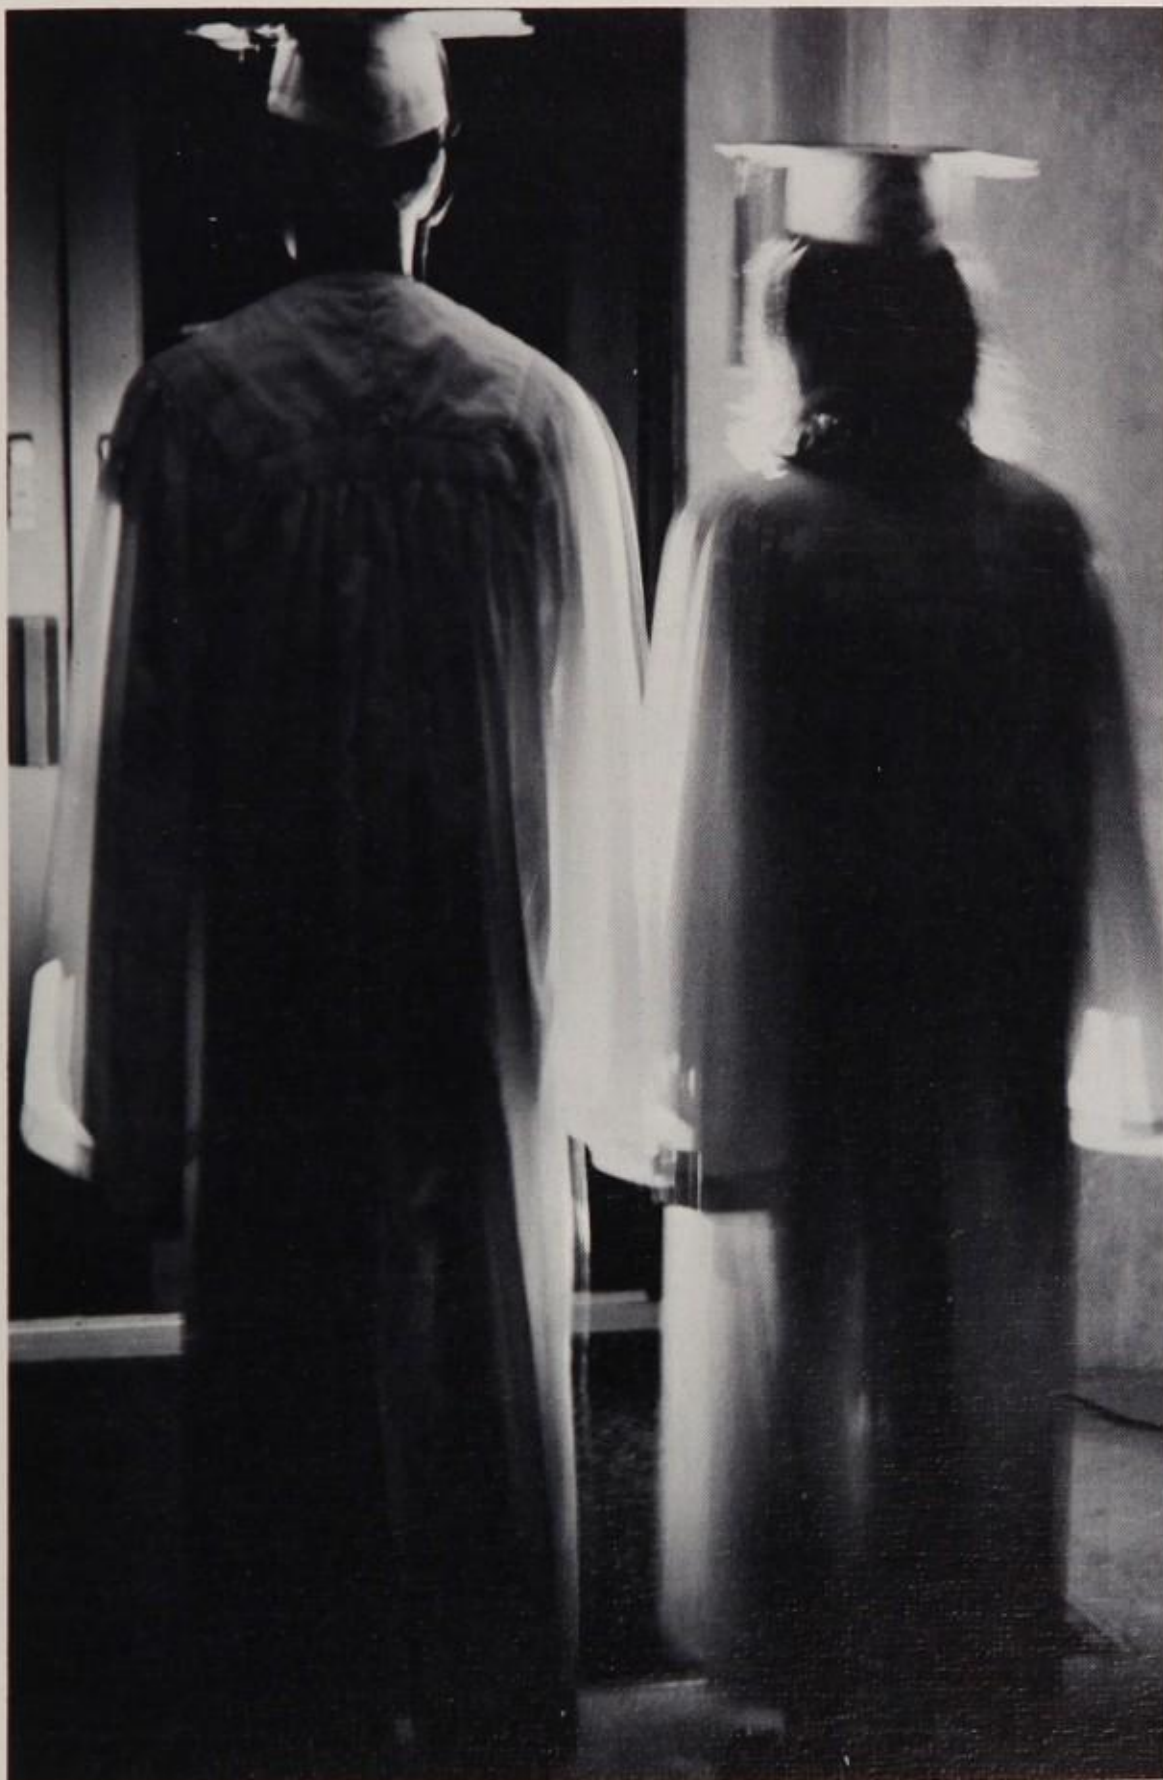

Katie Hubener's dreaming of the day when she'll choose her patterns of quality silver, crystal, and china from **RUTHERFORD'S JEWELERS**, 103 W. University Ave. For the time being she'll be content just to look over the wide selection of rings at **RUTHERFORD'S**, the store for brides.

Even if you don't have inside connections, it's easy for anybody to get a loan at **FLORIDA NATIONAL BANK**, 120 W. University Ave. Nobody knows better than Mary Grace Hardee when asking for a raise in her allowance from her father, vice-president of the bank. When borrowing or depositing money, go to **FLORIDA NATIONAL**. It's everybody's bank.

For GHS it was the year of growth — an exciting year surpassed by none. We developed as a nation, as a state, and as a community. The immense population was reflected in our school, as the individual became part of the mass — seeming to lose his identity as he became a number — one of over 2,000. GHS — so packed with students that everything else seemed minute.

The class of '67 prepared to face the future, whether it be college or a career. Graduation, the biggest step forward, brought remembrances of the three years past as seniors' anticipation transformed into reality.

Many pages are now turned, but many remain to be written. GHS — our biggest chapter.

Acknowledgement

WE THANK . . .

Keys Printing Corporation, representatives Mr. Carlyle Morris and Mr. Morris Kenig, who kept our mistakes a secret.

Mr. Frank Anderson, who became, along with the staff, an expert on sunsets.

Winston Townsend, who saved our lives many times.

Eddie Davis of the

Gainesville Sun for our sports group pictures.

Our advertisers for supporting the **Hurricane**.

The administration and faculty of GHS for remaining patient through many hectic times.

The Senate and House of Representatives of GHS for selling our annuals.

The student body of Gainesville High School — the soul of the 1967 **Hurricane**.
